

Curriculum Vitae

Mohamad Bassam Said

MD. DIS(Paris). DIU(Lyon). FRCP (Ed. Hon)

PERSONAL PARTICULARS AND QUALIFICATIONS

PERSONAL DETAILS

First name: Mohamad Bassam
Family name: Said
Date and place of birth July 3rd, 1960, Latakia, Syria
Marital status Married with 2 children
Wife's job Pediatrician
Nationality Syrian

Current Address: Adawi Street, Al-Zayyat Building, Floor: 1,
House: 1, Damascus - Syria

Mobile number: 00963-944278118

Mail address: P.o.Box: 8292, Damascus – Syria
Phone numbers: Home: 00963 11 4462800, 4462827
Office: 00963 11 3340766, 3325901
Fax: 00963 11 4462820

Email : bmsaeed2000@yahoo.com

Current Occupation and Appointments:

- **Consultant Pediatric Nephrologist at private clinic in Damascus (December 2018 to date)**
- **Founder and President of Farah Association for Child with Kidney Disease in Syria. (April 2013 to date).**
- **Deputy Chair of The ISN Middle East Regional Board (2023-2025)**
- **ISN Council member representing The Middle East region(2023-2025)**
- **Honorary Fellow of the Royal College of Physicians (FRCP) Edinburgh.**
- **Past president of the Middle East Society for Organ Transplantation (MESOT) (2018 – 2020).**
- **Chairman of the Education Committee of the Middle East Society for Organ Transplantation (MESOT) (2023 – present)**
- **Representative of the Middle East Region as a Member of the ISN Continuing Medical Education (CME) Committee (2022-2024).**
- **Member of the ISN Middle East Regional Board. (2021-2023).**
- **Member of the Declaration of Istanbul Custodian Group (DICG). (Oct. 2014 to date).**
- **Member of the Honorary Committee of the Advanced International Training Course in Transplant Procurement Management. TPM-DTI Foundation. Barcelona – Spain. (July 2017 to date).**
- **Founding member of the World Academy of Medical, Biomedical, and Ethical Sciences (WAMBES) (Dec. 2013 to date).**
- **Country Liaison representing Syria in The Transplantation Society (TTS). (July 2008 to date).**
- **Representative of Syria in the Mediterranean Transplant Network (MTN). (Sep. 2009 to date)**
- **Regional Representative of the Middle East/Africa region in the KDIGO (Kidney Disease Improving Global Outcome). (Nov. 2009 to date).**
- **Associate Editor of Experimental and Clinical Transplantation (ECT) Journal. The official journal of the Middle East Society for Organ Transplantation (MESOT)**

QUALIFICATIONS

1978:

Syrian Baccaulaureate, scientific branch

Score: 232/260

1978 - 1984:

MD, Doctor of Medicine

Mention: very good

Damascus university, Syria

1984-1987:

Master Degree in Pediatrics from Damascus University.

Damascus Children Hospital

1990-1994:

DIS, Diplome Interuniversitaire de Specialisation

In Pediatrics

Rene Descartes University, Paris, France

1992 - 1994:

DIU, Diplome Inter Universitaire

In Pediatric Nephrology

Claude Bernard University, Lyon, France

September 2015 :

FRCP : Honorary Fellowship, The Royal College of Physicians

Edinburg

POST-GRADUATION EXPERIENCE

(After obtaining the degree of ``DIS`` in Pediatrics)

1- **The Current Employment at Private clinic in Damascus** as Consultant Pediatric Nephrologist (January 2019 to date)

2- **Al Jahra Hospital in Kuwait (MOH)**. Jan. 2014 to Dec. 2018
Position: consultant pediatric nephrologist

3- **Kidney Hospital in Damascus - Syria**. Feb. 2002 to Jan. 2014

- Consultant Pediatric Nephrologist & pediatric Transplant Nephrologist
- Founder & Head of department of Pediatric Nephrology. Feb. 2003 to Jan 2014
- Founder & Head of Pediatric Hemodialysis Unit. Sep. 2003 to Jan. 2014
- In charge of pediatric renal transplantation. Jan. 2004 to Jan. 2014
- Founder & Chairman of the Pediatric Nephrology training program in Syria since November 2003 till January 2014.

4- **Private practice in Damascus** from Jan.1995 to February 2002.
Consultant Pediatric Transplant Nephrologist Full Time Private clinic / Tiliani, Al-Zahra avenue. Damascus

5- **"Necker Enfants-Malades" Hospital**, Paris, France,
Pediatric Nephrology Department, Pediatric Hemodialysis Unit,
Pediatric Renal Transplantation Unit, Research center (INSERM 192),
Assistant Pediatric Nephrologist, From April 1994 to Dec., 1994.

POST-GRADUATION TRAINING HOSPITALS

October 1984 to Dec. 1987:

Master Degree in Pediatrics

Damascus Children's Hospital, Damascus, Syria.

Position: Pediatric resident

Professor Suheil Baddoura

Master's Thesis: Renal Tubular Acidosis in Children

January 1989 to Dec. 1994:

Necker Enfants - Malades Hospital, Paris, France,

Pediatric Nephrology Department, Pediatric

Hemodialysis Unit, Pediatric Renal Transplantation Unit, Research center (INSERM 192),

Thesis: "CAPD is not the best treatment for children with ESRD"

Published in: New Therapeutic Strategies in Nephrology (1990)

under the supervision of Professor: Michel BROYER

Position:

Jan. 1989 - Sep. 1990: Pediatric Nephrology Fellow.

Oct. 1990- Dec. 1994: Assistant Pediatric Nephrologist, part time.

1990, 1991, 1992 (month of July of each):

Pediatric Hemodialysis center Guillaume Lacoste,

La Bourboul, France, (during summer vacation only)

Position: Pediatric Nephrologist specialist

Doctor: Jean-Bernard PALCOUX

October 1990- Sep. 1992:

Meaux Hospital, Meaux, France

Position: Oct. 1990-Sep 1991: Pediatric resident

Under the supervision of Professor: Robert STEINSCHNEDER / Senior Pediatric consultant.

Oct 1991 –Sep 1992: Neonatology resident

Under the supervision of Professor: C. CRUMIERE / Senior Neonatology consultant

October 1992 - Sep.1993:

Brune Hôpital (Institut De Puéricultrices), Paris, France.

Position: Nursery ICU

Neonatology resident.

Under the supervision of Professor: Marcel VOYER / Senior Neonatology consultant

October 1992 - Sep.1994:

Fontainebleaux Hôpital, Fontainebleaux, France.

Position: Pediatric resident. Under the supervision of professor Jacques VEDRENNE Senior Pediatric Consultant

Previous occupations:

- **Consultant Pediatric Nephrologist at Al-Jahra Hospital in Kuwait (MOH) (Jan. 2014 to Dec. 2018)**
- **President of the Middle East Society for Organ Transplantation (MESOT) (2016 – 2018).**
- **Head of pediatric nephrology department. Kidney Hospital - Damascus; February 2002 to Jan. 2014.**
- **Director of Pediatric nephrology fellowship program in Syria. (Jan. 2004 to Jan. 2016)**
- **Chairman of the post-graduation exam in the scientific board of Pediatrics specialty in the MOH in Syria (2010-2014)**
- **Member of the Scientific Council of Pediatric Nephrology Subspecialty of the Arab Board of Health Specializations. Council of Arab Health Ministers. (Nov. 2016 to Nov. 2018).**
- **Chairman of the scientific committee of the Eighth and Ninth congresses of the Syrian Society of Nephrology (SSN) held in Seidnaya-Damascus 14-16 September 2006 and Palmyra-Homs 13-15 December, 2007 respectively.**

Cont. Previous occupations

- **Member of the Middle East Committee of ISN-GO (International Society of Nephrology-Global Outreach)). Jan. 2008 to April 2014.**
- **President elect of the Middle East Society for Organ Transplantation (MESOT). (Sep. 2014 – Sep. 2016)**
- **Vice president of the Middle East Society for Organ Transplantation (MESOT). Since December 2012.**
- **Secretary General of the Middle East Society for Organ Transplantation (MESOT). November 2008 – December 2012**
- **Chairman of the MESOT Fellowship Program. November 2007 to December 2012**
- **Treasurer of the Middle East Society for Organ Transplantation (MESOT) from Dec. 2006 – Dec. 2008**
- **Representative of Syria in The Middle East Society for Organ Transplantation (MESOT) from Dec. 2004 – Dec. 2008**
- **Treasurer and Council member representing Syria in the Pan Arab Pediatric Nephrology Association (PAPNA).**
- **Member of the Kidney Transplant Fellowship Program's committee in Syria since 2009 - 2014.**
- **Chairman of the scientific committee of Kidney Hospital from January 2006 to January 2010.**
- **Participant in the International Summit on Transplant Tourism and Organ Trafficking convened by The Transplantation Society and International Society of Nephrology in Istanbul, Turkey, 30 April to 2 May 2008.**

- **Participant and Signatory to the final statement issued by the Pontifical Academy of Sciences (PAS) during the Vatican Summit on Organ Trafficking and Transplant Tourism held at the Vatican on February 7-8, 2017**
-

Editorial Board member in the following journals

- **Experimental and Clinical Transplantation (ECT). The official journal of the Middle East Society for Organ Transplantation (MESOT)**
 - **International Journal of Organ Transplant Medicine (IJOTM)**
 - **Zagakig University Medical Journal (ZUMJ)**
 - **Eastern Medical Journal (EMJ)**
 - **Journal of Kidney**
 - **GEGET: The Journal of the Egyptian Society of Pediatric Nephrology and Transplantation**
-

Reviewer in the following medical journals

1- *Eastern Journal of Medicine (EJM)*

(ISSN 1301-1883) is English multidisciplinary peer-reviewed medical journal publishing articles in the fields of basic and clinical medicine. It is published by Yuzuncuyil University. Faculty of Medicine, Van, Turkey

2. *The Tohoku Journal of Experimental Medicine (TEJM).*

Aoba-ku, Sendai, Miyagi 980-8575, Japan

3. *Nephrology Dialysis and Transplantation (NDT).*

The official journal of the ERA-EDTA. (European Renal Association-European Dialysis and Transplantation Association)

4. *Saudi Medical Journal (SMJ)*

5. *Journal of Pediatric Neurology*

YuzuncuYilUniversity.Faculty of Medicine.Van. Turkey.

6. Saudi Journal of Kidney Disease and Transplantation (SJKDT)

7. Journal of Pediatric Biochemistry (JPB)

Afyon Kocatepe University. Faculty of Science and Arts. Afyon. Turkiye

8. International Journal of Organ Transplant Medicine (IJOTM)

9. Journal of Clinical Pathology and Forensic Medicine (JCPFM)

10. Journal of Advanced Research

11. The Transplantation. The official journal of The Transplantation Society

5- Transplant Immunology

A Chapter in *Immunology*. A book published by the Specialized Medical Encyclopedia / The Board of Arab Encyclopedia. 2019. 178-185

SELECTED PAPERS PRESENTED IN CONFERENCES

1- Renal tubular acidosis in Damascus Children Hospital,

Children hospital conference, Damascus, 1988. (Oral presentation).

2 - CAPD is not the best treatment for children with ESRD

Presented in different places:

- The second Pan Arab Pediatric Nephrology Congress, November 12 – 15, 2000. Riyadh, KSA. (Oral presentation).
- The First Annual Meeting of Kidney Hospital. June 6 – 7, 2002. Damascus, Syria. (Oral presentation).
- The 14th Congress of The Syrian Association of Pediatrics; October 10 -12, 2002, Damascus, Syria. (Oral presentation).

3 - Steroid-Resistant Nephrotic Syndrome,

- The 5th congress of The Syrian Association of Nephrology;

October 10 – 11, 2002. Latakia, Syria. (Oral presentation).

- A Symposium on Pediatric Nephrology organized by The Faculty of Medicine of Tichreen University. Al-Assad University Hospital. March 07, 2007. Latakia, Syria. (Oral Presentation).

4 - Obstructive Nephropathy and chronic Kidney Diseases in Children: A 1-year, single-center experience.

- The 6th Congress of The Arab Association of Urology; 4-5-6-7 September 2003, Damascus, Syria. (Oral presentation).

- The 15th Congress of The Syrian Association of Pediatrics; 8-10 October 2003, Latakia, Syria. (Oral presentation).

- The 6th congress of The Syrian Association of Nephrology; 9-10 October 2003, Aleppo, Syria. (Oral presentation).

5 - Nephrotic Syndrome & Dyslipidemia

The Summer Meeting of Syrian Association of Pediatrics, August 10 - 11, 2003, Aleppo, Syria. (Oral presentation).

6 - The Major Causes of Chronic Renal Insufficiency in Syrian Children

The 8th Congress of The Arab Society of Nephrology & Renal Transplantation (ASNRT); February 10 - 14, 2004, Sharm Al Sheik, Egypt. (poster presentation).

7 - Disorders of Growth and Renal Diseases

- The first Tishreen University specialized meeting on growth disorders in children; May 27 - 28, 2004. Lattakia - Syria. (Oral presentation).

8 - Pediatric Guidelines for nutrition in Chronic Renal failure

The third gastroenterology and nutrition Syrian society of pediatrics; August 12 - 13, 2004. Damascus - Syria. (Oral presentation).

9 - Pediatric Renal Transplantation; Kidney hospital experience.

- The 16th conference of Syrian pediatric society and the 1st international Syrian German congress; October 5 - 7, 2004. Damascus - Syria. (oral presentation).

- The 2nd Kidney Hospital congress; December 2 - 3, 2004. Damascus – Syria. (oral presentation).

- The IXth congress of the Middle East Society for Organ Transplantation (MESOT); December 6 - 10, 2004. Ankara - Turkey. (poster presentation).

- The 29th UMEMPS congress "Union of Middle Eastern and Mediterranean Pediatric Society". September 14 - 18, 2005. (Abstract: UO 72). Istanbul - Turkey. (oral presentation)
- The 24th Annual Congress of the Syrian Urological Society. September 07-09, 2006. Bloodan - Damascus. Syria. (Oral presentation).

10 - The Management of Antenatal Hydronephrosis (ANH).

The 2nd Annual congress of the Syrian association of Neonatology; November 25 - 26, 2004. Damascus - Syria. (Oral presentation).

11 - Cyclosporine Use in Idiopathic Nephrotic Syndrome in Children: A - Single Center Experience.

- The 7th congress of The Syrian Association of Nephrology; April 7-8, 2005 Bloodan, Damascus-Syria (Oral presentation).
- Syrian American Medical Society, Sixth Annual Conference; June 30th, 2005. Kidney Hospital; Damascus - Syria. (Oral presentation).
- The 17th conference of The Syrian pediatric society; September 7 - 9, 2005; Aleppo - Syria. (Oral presentation).
- The 29th UMEMPS congress "Union of Middle Eastern and Mediterranean Pediatric Society". (Abstract: UO 73) September 14 - 18, 2005. Istanbul – Turkey. (Oral presentation).

12 - Familial Juvenile Nephronophthisis (FJN).

The Summer Meeting of the Syrian Association of Pediatrics, April 13 – 15, 2005, Raga, Syria. (Oral presentation).

13 - Update on Peritoneal Dialysis.

The 12th annual conference of Damascus University Children's Hospital, May 3 -5, 2005, Damascus, Syria. (Oral presentation).

14 - Hepatitis B & C Nephropathy; Case Presentation.

The Fourth Annual Congress of the Syrian society of Gastroenterology and Nutrition; July 14 - 15, 2005. Damascus – Syria (Oral presentation).

15 - How to Promote Organ Donation & Transplantation in Syria by Starting Outreach Assistance Activities Between Middle East Society for Organ Transplantation (MESOT) countries.

First Syrian Renal Transplantation Co-ordination & Exchange Meeting; August 17-18, 2005. Ma'arat Sydnaya, Damascus - Syria. (Oral Presentation).

16- The Neonate With Renal Disease.

The 3rd Annual congress of the Syrian association of Neonatology; November 11 - 12, 2005. Damascus - Syria. (Oral presentation).

17- Management of Anemia in Children With Chronic Renal Failure.

- The Second Tichreen University specialized meeting on "*Anemia in Children*"; Dec. 01 - 02, 2005. Latakia - Syria. (Oral presentation).
- The Academic activity program of the surgical Kidney Hospital in Damascus; Jan. 05, 2006. Damascus – Syria

18-Statistics in Clinical Research: How to Interpret The Therapeutic Trial Reports.

- A Meeting on Teaching Techniques & Scientific Medical Research; organized by Tichreen University at Al Assad University Hospital: Feb. 23-24, 2006. Latakia – Syria. (Oral presentation).
- Syrian Medical Association, May. 2nd, 2006. Damascus – Syria. (Oral presentation).

19- Clinico-pathological Analysis of Kidney Diseases in Children: A -Retrospective, Single Center Study.

- The 9th Congress of The Arab Society of Nephrology & Renal Transplantation (ASNRT); April. 2-5, 2006, Amman – Jordan. (Oral Presentation).
- The 30th UMEMPS congress "Union of Middle Eastern and Mediterranean Pediatric Society". September 04 - 07, 2006. Damascus – Syria. (Oral presentation).
- The VIII Annual Conference of the Syrian Society of Nephrology (SSN); September. 14-16, 2006, Sheraton Ma'aret Seidnaya, Damascus – Syria. (Oral presentation).

20- Volume of Organ Failure in Syria And Obstacles to Initiate A National Cadaver Donation Program

- "Enhancement of Organ Donation in Syria" Congress Organized by The Syrian Society of Nephrology; April. 26-27, 2006, Damascus – Syria. (Oral Presentation).
- The 10th Congress of the Middle East Society for organ Transplantation (MESOT); November.26-29, 2006. Kuwait. (Poster presentation).

21- Antenatal Detection of Renal Anomalies.

- The Fifth Annual Congress of the Syrian Society of Neonatology; May. 4-5, 2006. Monteroza Zabadani – Syria (Oral presentation).
- The first Tichreen university specialized meeting on Detection &

Management of Perinatal Diseases. December.7-8, 2006. Latakia– Syria. (Oral presentation).

22- Urinary Tract Infections in Children: When to Treat And When Not to Treat..!

The Summer Meeting of the Syrian Society of Urologist; May.11-12, 2006. Lehwash Alwadi – Syria. (Oral presentation).

23- Management of Urinary Tract Infections in Children:

Open Door Hospital Meeting; May.17-18, 2006. Al Assad University Hospital, Latakia – Syria. (Oral presentation).

24 - Gastrointestinal Tracts in Uremia.

The Fifth Annual Congress of the Syrian society of Gastroenterology and Nutrition; June 1 - 2, 2006. Homs - Syria. (Oral presentation).

25 – Clinical Experience of Rapamycin as a Rescue Therapy in Chronic Allograft Nephropathy.

The 10th Congress of the Middle East Society for organ Transplantation (MESOT); November.26-29, 2006. Kuwait (Oral presentation).

26 – Overview of The Organ Transplantation in Syria

A Meeting of the World Health Organization (WHO) Eastern Mediterranean Region (EMR): Informal Regional Consultation on “Developing Deceased Donor Donation”. November.26-27. 2006. Kuwait. (Oral presentation).

27 – Glomerular Diseases in Syrian Children

The 1st Arab Nephrological Meeting. January 11 – 15. 2007. Luxor-Aswan, Egypt. (Oral presentation).

28 – Nephrotic Syndrome in A Child with Hepatitis C.

The 1st Arab Nephrological Meeting. January 11 – 15. 2007. Luxor-Aswan, Egypt. (Case presentation).

29- Approaching A Child With Haematuria.

● A Symposium on Pediatric Nephrology Organized by The Faculty of Medicine of Tichreen University. Al-Assad University Hospital. March 07, 2007. Latakia, Syria. (Oral Presentation).

30- The Urinalysis in The Clinical Practice.

- A Symposium on Pediatric Nephrology Organized by The Faculty of Medicine of Tichreen University, Al-Assad University Hospital. March 07, 2007, Latakia, Syria (Oral Presentation).
- A Meeting in The Syrian Board of Laboratories, organized by The Syrian Medical Syndicate and The Syrian Pharmaceutical Syndicate. June 06, 2007. Damascus Syria. (Oral Presentation).
- A Meeting on Urinalysis in the clinical practice organized by the Directorate of Health in Homs and The Board of Laboratories in Homs. The Syndicate of Pharmacists in Homs. February 14, 2008. Homs, Syria. (Oral presentation).

31- The Five Rules To Interpret Blood Gazes

- A Symposium on Pediatric Nephrology Organized by The Faculty of Medicine of Tichreen University. Al-Assad University Hospital. March 07, 2007. Latakia, Syria. (Oral Presentation).

32- Microalbuminuria in The Early Detection of Diabetic Nephropathy

- A Symposium on “Diabetes Mellitus and Kidney” organized by The Syrian Diabetic Society and The Syrian Society of Nephrology. April 19-20, 2007. Deir Al-Zor, Syria. (Oral Presentation).

33- Update in Nephrotic Syndrome

- The 14th Science week of Aleppo, April 23rd 2007. Aleppo, Syria. (oral Presentation).

34- Workshop on Biostatistics in Clinical Research

First session: How to Write a Medical Paper...?

Second session: Epidemiology & Biostatistics in Clinical Research

Third session: "Critical Appraisal" The Assessment of Methodological Quality of a Medical Paper Organized by The Faculty of Medicine of Tichreen University, Department of Pediatrics of Al-Assad University Hospital. Venue: Al-Soufi Hospital. June 17-18th, 2007. Latakia - Syria

35- Nutritional Rickets Versus Non-nutritional Rickets

- The Sixth Annual Congress of the Syrian Society of Pediatric Gastroenterology and Nutrition. June 28-29th, 2007. Tartous, Syria. (Oral presentation).

36- Pneumococcal vaccine in children

- The Summer Meeting of the Syrian Pediatric Society. July 12-

13th, 2007. Safita Syria. (oral presentation).

37- Common Clinical Renal Problems in The Neonatal Period

- The Sixth Annual Congress of the Syrian Society of Neonatology; October.25th, 2007. Ma'arret Seidnaya Damascus – Syria. (Oral Presentation).

38- Status of Organ Donation & Transplantation Programs in Syria

- The 3rd World Day for Organ Donation and Transplantation. A session on the Transplantation and Donation programs in the Middle East region organized by the WHO and the Middle East Society for Organ Donation and Transplantation and the Kuwaiti Society for organ Transplantation. October, the 28th, 2007. Kuwait. (Oral Presentation).

39- Spectrum of Chronic Kidney Disease in Syrian Children at Kidney Hospital in Damascus.

- The 9th Annual Congress of the Syrian Society of Nephrology. December 13-15, 2007. Palmyra – Syria (Oral presentation).
- The 10th Congress of the Arab Society of Nephrology and Renal Transplantation (ASNRT). Algiers, Algeria. April 12-15. 2008. (oral presentation).
- The 4th Congress of the Pan Arab Pediatric Nephrology Association (PAPNA). Congress jointly organized by IPNA, PAPNA, and Egyptian Society of Pediatrics. Sharm El-Sheik, Egypt. December 17-19, 2008 (Poster presentation).

40- Long-term Complications of the Treatment of Childhood Nephrotic Syndrome

- 9th Annual Congress of the Syrian Society of Nephrology. December 13-15, 2007. Palmyra – Syria (Oral presentation).
- The 4th Congress of the Pan Arab Pediatric Nephrology Association (PAPNA). Congress jointly organized by IPNA, PAPNA, and Egyptian Society of Pediatrics. Sharm El-Sheik, Egypt. December 17-19, 2008 (Oral presentation).
- The 7th Annual scientific meeting of Jordan Society of Nephrology. Amman – Jordan. February 18 –20th, 2009 (Oral presentation)

41- Glomerulonephritis in Children

- Glomerulonephritis Update Diagnosis & Therapy. January 30th – February 1st, 2008. Dead Sea – Jordan (oral presentation).

- Update in Pediatric Nephrology & transplantation. Course jointly Organized by IPNA, IPTA, and SIUT (Sindh Institute of Urology and Transplantation). Karachi-Pakistan. Oct 22-23, 2008 (Oral presentation).
- The 4th Congress of the Pan Arab Pediatric Nephrology Association (PAPNA). Congress jointly organized by IPNA, PAPNA, and Egyptian Society of Pediatrics. Sharm El-Sheik, Egypt. December 17-19, 2008 (Oral presentation).

42- An Update on Acute Post-Infectious Glomerulonephritis in Children

- Pediatric Infectious Disease Meeting organized by Tichreen University and the faculty of medicine and the Pediatric department at Al-Assad University Hospital. Latakia, April 10-12, 2008. (oral presentation).

43- Hemodialysis Adequacy Guidelines.

Hemodialysis Guidelines Meeting. Organized by the Syrian Society of Nephrology, Bloudan – July 3-4, 2008. (oral presentation).

44- Update on The Management of Nephrotic Syndrome in Children

- The Second Annual Review of Pediatrics, organized by the Syrian Pediatric Society in collaboration with Tishreen University. Latakia, October 09-10, 2008 (oral Presentation).

45- Obstructive Nephropathy: The Single most common cause of chronic kidney disease in children.

- SIUT 6th International Symposium of Urology, Nephrology & Transplantation. Karachi – Pakistan. 23 – 26 October, 2008. (Oral Presentation)
- The 26th Congress of the Syrian Urological Society. Damascus – Syria. October 30 to November 1st. 2008. (Oral presentation).
- The 4th Congress of the Pan Arab Pediatric Nephrology Association (PAPNA). Congress jointly organized by IPNA, PAPNA, and Egyptian Society of Pediatrics. Sharm El-Sheik, Egypt. December 17-19, 2008 (Poster presentation).
- WCN2009 Satellite Conference ‘Kidney Disease in Disadvantaged Populations’ Organized by the ISN COMGAN Committee on Kidney Health in Disadvantaged Populations. Aula Magna, University of Milan, Milan, Italy. 26-28 May 2009. Abstract Selected for scholarship award. (Poster presentation)

46- Diabetes and Chronic Kidney Disease: What Do The New Guidelines

Tell Us?

- The 2nd IDF Regional MENA (Middle East and North Africa) Diabetes Conference & The Annual Meeting of the Syrian Diabetes Association. Latakia – Syria. October 29-31, 2008. (Oral presentation).

47-Altruistic Non-Related Living Kidney Donation Program: Facts & Difficulties.

- The 11th MESOT (Middle East Society for Organ Transplantation) Congress. Shiraz – Iran. November 17-20, 2008. (Oral presentation).
- The 4th International Congress of the Saudi Society of Nephrology (SSN). Riyadh – KSA. April 26-29, 2009. (Oral presentation).
- World Congress of Nephrology (WCN) 2009, joint with ERA-EDTA Congress, Milan, Italy. 23-26 May 2009. (Poster presentation)

48-Living Kidney Donation in Syria: Do We Need Relevant Guiding Principles or to Apply Them?

- The 11th MESOT (Middle East Society for Organ Transplantation) Congress. Shiraz – Iran. November 17-20, 2008. (Oral presentation).
- World Congress of Nephrology (WCN) 2009, joint with ERA-EDTA Congress, Milan, Italy. 23-26 May 2009. (Poster presentation)

49-Update on Childhood Nephrotic Syndrome

- The 3rd annual "Week of Science" of Damascus health directorate. Al-Zahrawee Hospital. Damascus – Syria. February 08-12, 2009 (Oral Presentation).

50- Epidemiology & Biostatistics in Clinical Research

- Evidence-based Medicine and Health Research. Family Medicine and Continuing Professional Development programs. Strategic Studies Center. Damascus. February 15-19, 2009. (Oral presentation).
- Public Health Day. Strategic Studies Center. Damascus. March 10, 2009. (Oral presentation).

51- Critical Appraisal of Health Research

- Evidence-based Medicine and Health Research. Family Medicine and Continuing Professional Development programs. Strategic studies center. Damascus. February 15-19, 2009. (Oral presentation).
- Public Health Day. Strategic Studies Center. Damascus. March 10, 2009. (Oral presentation).

52-Organ Donation in Syria: Facts & Difficulties

- The Third Annual Meeting of the Damascus Medical Association. Damascus. April 16. 2009. (Oral presentation)

53- Approaching Antenatal Hydronephrosis (ANH)

- Meeting of the Syrian Pediatric Society. Deir Zor – Syria. April 30th-May 1st, 2009. (Oral presentation)

54- Cystinuria, Diagnosis & Management

- The 9th International Congress of the Syrian Medical Association. Conference Palace - Damascus – Syria. June 18-21st, 2009. (Oral presentation)

55- Current Challenges of Organ Donation Programs in Syria

- The 11th Congress of Asian Society of Transplantation (CAST). October 1-4, 2009. Beirut – Lebanon. (Oral presentation)

56- Novel Long-Term Risks of Pediatric Kidney Transplantation

- The 11th Congress of Asian Society of Transplantation (CAST). October 1-4, 2009. Beirut – Lebanon. (Oral presentation)

57- Issues in Pediatric Renal Transplantation

- The 3rd Update in Nephrology and Pan Arab Pediatric Nephrology Association (PAPNA) Symposium. October 22-24th, 2009. Beirut – Lebanon. (Oral presentation)

58- Epidemiology of Pediatric Hypertension

- The 21st Annual Congress of the Syrian Pediatric Society. November 19-20th, 2009. Damascus – Syria. (oral presentation)

59- Acute Kidney Injury in Critically Ill Pediatric Patients

- The 8th Congress of Jordan Society of Nephrology (JSN). January 27-29th, 2010. Dead Sea – Jordan. (Oral presentation).
- 29th Annual congress of the Egyptian Society for Nephrology and Transplantation (ESNT). Cairo March 3-6, 2010. (oral presentation)

60- Pediatric Kidney Transplantation

- Syrian Medical Association, February 24th, 2010. Damascus – Syria. (Oral presentation).
- 29th Annual congress of the Egyptian Society for Nephrology and Transplantation (ESNT). Cairo March 3-6, 2010. (Oral presentation)

61- Hepatitis control practice in Hemodialysis Units.

- World Kidney Day (WKD) 2010, A meeting organized by the Lattakia

Health Directorate and Latakia Watani Hospital in Haffeh General Hospital Haffeh-Latakia Suburb. March 11, 2010. (oral presentation).

62- **Approaching a child with kidney disease. And in what pediatric hemodialysis differs adult practice?**

- World Kidney Day (WKD) 2010, A meeting organized by the Lattakia Health Directorate and Latakia Watani Hospital in Haffeh General Hospital. Haffeh, Latakia Suburb. March 11, 2010. (oral presentation).

63- Participant in **The Third Global Consultation on Organ Donation and Transplantation** was organized by the World Health Organization in collaboration with the Spanish National Transplant Organization (ONT) and The Transplantation Society, and supported by the European Commission. The consultation, held in Madrid from 23rd to 25th March 2010, brought together 140 government officials, representatives of international scientific and medical bodies, and ethicists from 68 countries.

64- **Acute Kidney Injury in Critically Ill Paediatric Patients**

- The 11th congress of the Pan Arab Society for Nephrology and Renal Transplantation (ASNRT). Dedeman Hotel –Damascus – Syria. May 5-8, 2010. (Oral presentation).
- Advances in Genetic, Pediatrics, & Nephrology. Lebanese Order for Physicians. Beit Al Tabib. Beirut. Lebanon. June 18, 2010. (Oral presentation)

65- **Peritoneal Equilibration Test (PET): Clinical Use in Peritoneal Dialysis**

- The 11th congress of the Pan Arab Society for Nephrology and Renal Transplantation (ASNRT). Dedeman Hotel –Damascus – Syria. May 5-8, 2010. (Oral presentation).

66- **The Syrian Experience with Organ Donation and Transplantation**

- The Second Arab Kidney day. Organized by the association of the child with kidney diseases and The Lebanese Order of Physicians, The Lebanese Society of Nephrology, and the Al-Walid Ben Talal Foundation. Lebanese Order for Physicians. Beit Al Tabib. Beirut. Lebanon. June 19, 2010. (Oral presentation)

67- **Diabetes and Chronic kidney Disease: What Do The New Guidelines Tell Us?**

- The 11th Annual Syrian American Medical Society Conference. Damascus – Syria . July 5, 2010. (Oral presentation).

68- **Familial Nephrotic Syndrome**

- The 2nd International Pediatric Nephrology Conference. Sindh Institute of Urology and Transplantation (SIUT). Karachi – Pakistan . July 23-25, 2010. Annual Syrian American Medical Society Conference. Damascus – Syria .(Oral presentation).

69 –Acute Kidney Injury

- The 2nd International Pediatric Nephrology Conference. Sindh Institute of Urology and Transplantation (SIUT). Karachi – Pakistan . July 23-25, 2010. Annual Syrian American Medical Society Conference. Damascus – Syria .(Oral presentation).

70 –Acute Kidney Injury in Critically Ill Pediatric Patients

- The 4th Damascus Medical Association Conference. Damascus . September 23-25, 2010. (Oral presentation).

71 –MESOT Fellowship Program

- The 12th Congress of Middle East Society for Organ Transplantation (MESOT). Tunis – Tunisia. October 18-21. 2010. (Oral presentation).

72 –Issues on Pediatric Kidney Transplantation

- The 12th Congress of Middle East Society for Organ Transplantation (MESOT). Tunis – Tunisia. October 18-21. 2010. (Oral presentation).

73 –Pediatric Organ Transplantation: Data from MESOT Countries.

- The 12th Congress of Middle East Society for Organ Transplantation (MESOT). Tunis – Tunisia. October 18-21. 2010. (Oral presentation).

74 –Update in Childhood Nephrotic Syndrome

- The 2010 Science Week organized by the Health Directorate of Damascus. Damascus Hospital – Damascus. December 12-16. 2010. (Oral presentation).

75 –Ante-Natal Hydronephrosis (ANH)

- The Annual Meeting of the Syrian Society for Pediatric Surgeons. Al-Bassel Hospital – Tartous. February 3rd. 2011. (Oral presentation).

76 –Pediatric Hypertension

- Bahrain Pan Arab and European Hypertension Conference Manama, Kingdom of Bahrain. February 11-13. 2011. (Oral presentation).

77 –Childhood Hypertension

- The Ninth Annual Scientific Meeting of Jordan Society of Nephrology. The Fourth ASNRT Glomerulonephritis Update. In Collaboration with the International Society of Nephrology. Dead Sea Valley – Jordan. February 16 - 18, 2011 (Oral presentation).

78- Pediatric Organ Transplantation: Data from Middle East Countries

- The 10th Congress of the Iranian Society for Organ Transplantation (IRSOT). Shiraz – Iran. 17-19th, May 2011. (Oral presentation).

79- MESOT Fellowship Program

- The 10th Congress of the Iranian Society for Organ Transplantation (IRSOT). Shiraz – Iran. 17-19th, May 2011. (Oral presentation).

80- Pediatric Organ Transplantation: Data from Middle East Countries.

- 12th Congress of the Asian Society of Transplantation (CAST) September 25-28, 2011 COEX, Seoul, Korea. (oral presentation)

81- MESOT Fellowship Program

- 12th Congress of the Asian Society of Transplantation (CAST) September 25-28, 2011 COEX, Seoul, Korea. (oral presentation)

82- Pediatric Organ Transplantation: Data from Middle East Countries.

- The 5th Congress of the Pan Arab Pediatric Nephrology Association (PAPNA). 6-8 October, 2011. Beirut – Lebanon. (Oral presentation)

83- Pediatric Organ Transplantation: Data from Middle East Countries.

- 31st Congress of Société International D'Urology (SIU). ICC Berlin October 16-20. 2011. (Oral presentation)

84- Familial Nephrotic Syndrome

- 13th International Congress of the Iranian Society of Nephrology Dialysis and Transplantation. Yazd. Iran. November 21st-25th. 2011 (Oral presentation)

85- Pediatric Kidney Transplantation in Syria

- Week of Science. Organized by the Health Directorate of Damascus City in collaboration with Syrian Medical Association. Al Assad National Library. December 3-8th, 2011. (oral presentation).

86- MESOT Fellowship Program

- Implementation Steps for Deceased Organ Donations in the UAE. Abu Dhabi UAE. December 13, 2011 (Oral presentation)

87- Pediatric Kidney Transplantation in Syria: Challenges & Perspectives

- The Eighth Annual Meeting of Pediatric Department Al Assad University Hospital Tichreen University Latakia. April 12-13, 2012 (Oral presentation).

88- Chronic Renal Failure in Children: Kidney Hospital's Experience

The Eighth Annual Meeting of Pediatric Department Al Assad University Hospital Tichreen University Latakia. April 12-13, 2012 (Oral presentation).

89- Pediatric Renal Transplantation

The 1st Transplantation CME program organized in collaboration between Mansoura Urology-Nephrology Center (MUNC), Egyptian Society of Nephrology and Transplantation (ESNT), Arab Society of Nephrology and Renal Transplantation (ASNRT) and the Middle East Society of Organ Transplantation (MESOT). Luxor – Egypt. April 18 -21st, 2012 (Oral presentation).

90-Pediatric versus Adult Kidney Transplant Activity in the Arab Countries.

- The 13th congress of MESOT. Abu Dhabi – UAE. 12-15th, December 2012. (Oral presentation)
- 13th Congress of the Asian Society of Transplantation (CAST). Kyoto – Japan. 3-5th, September 2013. (Oral presentation)
- The 16th Congress of the European Society for Organ Transplantation (ESOT).8-11 September 2013. Vienna – Austria. (Poster presentation)
- The 12th Congress of the Jordan Society of Nephrology in collaboration with ISN. Dead Sea. Jordan. March 26-29th, 2014. (Oral presentation)
- 33rd Egyptian Society of Nephrology and Transplantation Meeting 24th-27th, February 2015 -Cairo Egypt (Oral presentation)
- The 17th MESOT Congress held virtually in Amman Jordan on September 3-5/2021(Oral presentation)

91-*Recurrent Disease in Pediatric Kidney transplantation*

- The 13th congress of MESOT. Abu Dhabi – UAE. 12-15th, December 2012. (Oral presentation).

92-MESOT Fellowship Program

- The 13th congress of MESOT. Abu Dhabi – UAE. 12-15th, December 2012. (Oral presentation)

93. *Renal Tubular Acidosis: When to suspect and how to treat.*

- Jordan Society of Nephrology 11th Annual Scientific Meeting
The Sixth ASNRT Glomerulonephritis Update: Diagnosis and Therapy
January 23-25, 2013. Dead Sea, Jordan Valley Jordan (Oral presentation)

94. *The Impact Of Living Unrelated Transplant On Establishing Deceased Donor Liver Program In Syria*

- Congress of the 25th Anniversary of Liver Transplantation in Turkey, organized by the Turkish Transplant Society in honor of Dr. Starzl, the

pioneer of Liver Transplantation in the world. December 4-6, 2013. Ankara. Turkey (Oral presentation).

- The 14th congress of the Middle East Society for Organ Transplantation (MESOT). September 10-13, 2014. Istanbul. Turkey. (Oral Presentation)

95. *The Impact of the Syrian crisis on organ transplantation in Syria*

- The 14th congress of the Middle East Society for Organ Transplantation (MESOT). September 10-13, 2014. Istanbul. Turkey. (Oral Presentation)

96. *An Overview on Pediatric Kidney Transplantation*

- The 13th Annual scientific meeting of the Jordan Society of Nephrology and Renal Transplantation. February 04-06, 2015. Dead Sea. Jordan. (Oral Presentation)

97. *Recurrent Nephrotic Syndrome after Renal Transplantation in Children from A Middle Eastern Country: Does it Compare with The International Experience!*

- International congress of Transplantation and Implantation. November 17-20, 2015. Mashhad. Iran (Oral Presentation).

- the International Symposium of the Sindh Institute of Urology and Transplantation (SIUT) celebrating 40 years of SIUT's model of free health care to all "free with dignity". December, 8-12, 2015. Karachi, Pakistan (Oral Presentation).

- The 14th Annual Scientific Meeting of Jordan Society of Nephrology and Renal Transplantation. February 10-13, 2016. Dead Sea, Jordan (Oral Presentation).

- The 21st HSC Poster Conference 2016 (Health Science Center) in Kuwait. Organized by the faculty of Medicine. University of Kuwait. May 2-4. Kuwait. (Poster presentation)

- The Joint Meeting of the Turkish Transplantation Society (TOND) and the Turkic World Transplantation Society (TDTD) Congress at the Bakü Hilton Hotel and Convention Center, Baku, Azerbaijan, May 31st to June 3rd, 2016 (Oral Presentation)

- The 15th Congress of the Middle East Society for Organ Transplantation (MESOT) Held in Amman Jordan Le Royal Hotel. September 21st-24th, 2016. (Oral presentation)

- The 2nd Pediatric Kidney Transplant Meeting organized by Iran University of Medical Sciences. Tehran. Iran. Jan. 23-25, 2018. Faculty of Medicine. (Oral presentation).

98. Pediatric Kidney Transplantation

- Local MESOT Meeting. 20-21 January, 2016. Cairo. Egypt. Oral presentation via skype.

99. Pediatric Renal Transplantation in the Middle East

- World Kidney Day in Kuwait: Them of 2016 kidney disease and children: act early to prevent it. Organized by Kuwait Nephrology Association (KNA) March 12, 2016. Radisson Blue Hotel Kuwait (Oral presentation).

100. Barriers to Effective Renal Transplantation Practice in the Middle East

- The Joint Meeting of the Turkish Transplantation Society (TOND) and the Turkic World Transplantation Society (TDTD) Congress at the Bakü Hilton Hotel and Convention Center, Baku, Azerbaijan, May 31st to June 3rd, 2016 (Oral Presentation).

101. Pediatric Kidney Transplant Activities in The Middle East

- The 15th Congress of the Middle East Society for Organ Transplantation (MESOT) Held in Amman Jordan Le Royal Hotel. September 21st-24th, 2016. (Oral presentation)

102. Incidence and prevalence of ESRD and dialysis

- Basic Hemodialysis Educational Course for Pediatricians. The 3rd GCC Organ Transplantation & Nephrology congress. January 20-21st, 2017. The Regency Hotel. Kuwait. (Oral presentation)
- The 2nd Scientific Meeting of Farah Association for Child with Kidney Disease in Syria under the patronage of the Syrian Medical Association. Sheraton Hotel. Damascus. February 01-02, 2018. (Oral presentation).

103. When to start Renal replacement therapy

- Basic Hemodialysis Educational Course for Pediatricians. The 3rd GCC Organ Transplantation & Nephrology congress. January 20-21st, 2017. The Regency Hotel. Kuwait. (Oral presentation)

104. Nutritional status in Chronic Kidney Disease pediatric patients

- Basic Hemodialysis Educational Course for Pediatricians. The 3rd GCC Organ Transplantation & Nephrology congress. January 20-21st, 2017. The Regency Hotel. Kuwait. (Oral presentation)

105. Renal Replacement Therapy in Children less than 2 years old

- Basic Hemodialysis Educational Course for Pediatricians. The 3rd GCC Organ Transplantation & Nephrology congress. January 20-21st, 2017. The Regency Hotel. Kuwait. (Oral presentation)

106. Genetic Screening in Children with Challenging Nephrotic Syndrome

- The 15th Annual Conference of Jordan Society of Nephrology and Renal Transplantation (JSNRT) King Hussein Bin Talal Convention Center February 08-11, 2017. Dead Sea-Jordan. (Oral presentation).
- The 2nd Molecular Pathology Meeting in Syria at Cham Hotel in Damascus August 8-10, 2022 (Oral Presentation).

107. Thrombotic Micro Angiopathy (TMA): Kuwait Clinical Experience:

- The 1st Middle East Clinical Excellence Forum. Organized by Alexion Pharmaceutical. March 31st-April 1st, 2017. Grosvenor House Hotel. Dubai – UAE. (Oral presentation).

108. Urinalysis in The clinical practice:

- The 2nd Al-Jahra International Pediatric Conference & Update in common Pediatric Diseases. Organized by The Pediatric Department at Al Jahra hospital in Kuwait. May 5-7, 2017. Salwa Al Sabah Hall, Marina Hotel. Kuwait. (Oral presentation).

109. Pediatric Renal Transplantation Activities in The Middle East:

- The 3rd Congress of the Iranian Society for Organ Transplantation (IRSOT). May 16-19, 2017. Shiraz - Iran. (Oral presentation).

110. Basics of Dialysis:

- Pediatric Dialysis Workshop. July 12th, 2017 Symphony Hotel-Kuwait. (Oral presentation).

111. Dialysis Prescription and Adequacy:

- Pediatric Dialysis Workshop. July 12th, 2017 Symphony Hotel-Kuwait. (Oral presentation).
- The 2nd Scientific Meeting of Farah Association for Child with Kidney Disease in Syria under the patronage of the Syrian Medical Association. Sheraton Hotel. Damascus. February 01-02, 2018. (Oral presentation).

112. Is conventional hemodialysis enough/optimal for children:

- Pediatric Dialysis Workshop. July 12th, 2017 Symphony Hotel-Kuwait. (Oral presentation).

- The 2nd Scientific Meeting of Farah Association for Child with Kidney Disease in Syria under the patronage of the Syrian Medical Association. Sheraton Hotel. Damascus. February 01-02, 2018. (Oral presentation).

113. How to make a PD prescription and how to optimize it:

- Pediatric Dialysis Workshop. July 12th, 2017 Symphony Hotel-Kuwait. (Oral presentation).

114. PD Fluids and Catheters Issues

- Pediatric Dialysis Workshop. July 12th, 2017 Symphony Hotel-Kuwait. (Oral presentation).

115. The Peritoneal Equilibration Test: (PET) Clinical Use in PD

- Pediatric Dialysis Workshop. July 12th, 2017 Symphony Hotel-Kuwait. (Oral presentation).
- The 2nd Scientific Meeting of Farah Association for Child with Kidney Disease in Syria under the patronage of the Syrian Medical Association. Sheraton Hotel. Damascus. February 01-02, 2018. (Oral presentation).

116. Rabies Acquired Through Kidney Transplantation in a Child: A Case Report

- The 2nd Joint Meeting of the Turkish Transplant Society and the Turkic World Transplant society. November 1-3, 2017. Bilkent Hotel – Ankara - Turkey. (Oral presentation).
- The 2nd Pediatric Kidney Transplant Meeting organized by Iran University of Medical Sciences. Tehran. Iran. Jan. 23-25, 2018. Faculty of Medicine. (Oral presentation).
- The 19th Congress of The Syrian Society of Nephrology and Renal Transplantation September 1-3, 2022, Lattakia, Lamira Hotel. (Oral Presentation)
- The 29th Congress of The Transplantation Society (TTS). Buenos Aires, Argentina. (Oral Presentation).
- The 18th Congress of the Middle East Society for organ Transplantation MESOT held in Ankara Turkey on May 24-26, 2023. (Oral Presentation)

117. Challenges in pediatric kidney transplant Middle East perspective

- The 2nd Pediatric Kidney Transplant Meeting organized by Iran University

of Medical Sciences. Tehran. Iran. Jan. 23-25, 2018. Faculty of Medicine. (Oral presentation).

- The 16th Congress of the Middle East Society for Organ Transplantation (MESOT). Sheraton Hotel. Ankara. Turkey. September. 05-07, 2018. (Oral presentation).

- The 14th Congress of The Arab Society of Nephrology and Renal Transplantation, 17th Annual International Congress of Jordan Society of Nephrology and Renal Transplantation and 2nd IPNA Teaching Course” Great Care for Little Kidneys” April 24-27, 2019 at Le Royal Hotel, Amman. (Oral Presentation).

118. Kidney Re-Transplantation in Children

- The 2nd Pediatric Kidney Transplant Meeting organized by Iran University of Medical Sciences. Tehran. Iran. Jan. 23-25, 2018. Faculty of Medicine. (Oral presentation).

- The 16th Annual Conference of Jordan Society of Nephrology and Renal Transplantation (JSNRT) & The 1st IPNA Teaching Course in Clinical Nephrology IPNA Teaching Course. Dead Sea. Jordan Feb 16-17, 2018 (Oral Presentation).

- The 18th Congress of the Middle East Society for organ Transplantation MESOT held in Ankara Turkey on May 24-26, 2023. (Oral Presentation)

119. Hypertension in Childhood and Adolescence

- Continuous Medical Education Program at Pediatric Department – Al Jahra Hospital – Kuwait. February 6, 2018. (Oral Presentation)

120. Peritoneal Dialysis as an efficient pediatric RRT: Expectations & Facts

- The 3rd Jahra International Pediatric Conference. Pediatric Continuous Renal Replacement Therapy (CRRT) Workshop. March 11, 2018. Kuwait (Oral Presentation)

121. Nephrophathic Cystinosis: Diagnosis, Management and Challenges

- The 3rd Jahra International Pediatric Conference. March 9-11, 2018. Kuwait (Oral Presentation)

122. Common Feeding Practices for Paediatric Renal Diseases

- Vitaflo® Pediatric Renal Nutrition Workshop. 1st & 2nd May 2018. Mövenpick Kuwait. (Oral Presentation)

123. Overview of Renal Transplantation: Kuwait Data

- The Alia International Hospital CME program. May 9, 2018. Kuwait (Oral Presentation)

124. Common Clinical Renal Problems in The Neonate

- Update in Pediatric Nephrology Meeting at the Obstetrics & Children's Hospital in Latakia. August 30, 2018. Latakia, Syria (Oral Presentation)

125. Nephrophathic Cystinosis: Diagnosis, Management and Challenges

- Update in Pediatric Nephrology Meeting at the Obstetrics & Children's Hospital in Latakia. August 30, 2018. Latakia, Syria (Oral Presentation)

126. Hypertension in Childhood and Adolescence: New guidelines

- Update in Pediatric Nephrology Meeting at the Obstetrics & Children's Hospital in Latakia. August 30, 2018. Latakia, Syria (Oral Presentation)

127. Urinalysis in The clinical practice

- Update in Pediatric Nephrology Meeting at the Obstetrics & Children's Hospital in Latakia. August 30, 2018. Latakia, Syria (Oral Presentation)

128. Approaching Antenatal Hydronephrosis

- Update in Pediatric Nephrology Meeting at the Obstetrics & Children's Hospital in Latakia. August 30, 2018. Latakia, Syria (Oral Presentation)
- The 14th Annual Meeting of the Syrian Association of Neonatology. November, 2-3, 2022. Lamira Hotel. Latakia Syria (Oral Presentation).

129. Urinary Tract Infection in Children: NICE Guidelines

- Scientific Days of Damascus Health Directorate. Pediatric Sessions. Sep. 18, 2018. Damascus Hospital. Damascus. (Oral Presentation).

130. Challenges in kidney transplantation & Barriers to Establishing Deceased Donor Program In Syria.

- The 18th Congress of The Syrian Society of General Surgeons. Sep. 21, 2018. Ya'afour Resort, Rif Damascus (Oral Presentation)

131. Antibiotics Induced nephrotoxicity

- A Scientific Day on "Update on Antibiotics in Pediatrics" organized by the pediatric department at Damascus Hospital in Damascus. February 20, 2019. (Oral Presentation)

132. Spectrum of Pediatric Chronic Kidney Disease in Syria.

- Together Preventing Chronic Kidney Disease in Syrian Children; A Scientific Event on the occasion of World Kidney Day (WKD) 2019 organized by the pediatric department at Damascus Hospital in Damascus. March 14, 2019. (Oral Presentation)

133. The Impact Of Living Unrelated Transplant On Establishing Deceased Donor Program In Syria

- The 1st TTS Regional Meeting, Istanbul, 28-29, March 2019. (Oral presentation)
- The 17th MESOT Congress held virtually in Amman Jordan on September 3-5/2021(Poster presentation)
- The 29th Congress of The Transplantation Society (TTS). Buenos Aires, Argentina. (Oral Presentation).

134. Challenges in pediatric kidney transplant Middle East perspective

- The 14th Congress of The Arab Society of Nephrology and Renal Transplantation, 17th Annual International Congress of Jordan Society of Nephrology and Renal Transplantation and 2nd IPNA Teaching Course” Great Care for Little Kidneys” April 24-27, 2019 at Le Royal Hotel, Amman. (Oral Presentation).

135. Cells Therapy & Tissue Engineering in Renal Diseases: Stem cells as a new trend

- Update in Pediatric Nephrology Meeting at the Obstetrics & Children's Hospital in Latakia. July 25, 2019. Latakia, Syria (Oral Presentation).

136. Peritoneal Dialysis in Children: Prescription, Fluids and Catheter Issues

- Update in Pediatric Nephrology Meeting at the Obstetrics & Children's Hospital in Latakia. July 25, 2019. Latakia, Syria (Oral Presentation).

137. Update on Urinary Tract Infection in Children

- Update in Pediatric Nephrology Meeting organized by the *Syrian Society of Nephrology and Transplantation* at *Julia Palace* in Homs. September 05, 2019. Homs, Syria (Oral Presentation).

138. Approaching A child with Hematuria

- Update in Pediatric Nephrology Meeting organized by the *Syrian Society of Nephrology and Transplantation* at *Julia Palace* in Homs. September 05, 2019. Homs, Syria (Oral Presentation).

139. Recurrent Disease in Pediatric Renal Transplantation

- The 3rd Joint Meeting of the Turkish Transplantation Society and the Turkic World Transplantation. Tashkent, Uzbekistan on 10-11 October, 2019. (Oral Presentation).

140. How Did the War Affect Organ Transplantation in Syria?

- The 3rd Joint Meeting of the Turkish Transplantation Society and the Turkic World Transplantation. Tashkent, Uzbekistan on 10-11 October, 2019. (Oral Presentation).
- The 17th MESOT Congress held virtually in Amman Jordan on September 3-5/2021(Oral presentation)
- The 29th Congress of The Transplantation Society (TTS). Buenos Aires, Argentina. (Poster Presentation).

141. Cell Therapy in Renal Diseases

- The 10th Conference of The Syrian Clinical Laboratory Association (SCLA), Damascus, October 24-26, 2019 (Oral Presentation).

142. Evolving Role of Genetic Testing For the Management of Children with Kidney Disease: Clinical Cases

- The 2nd Annual Meeting of the Obstetric & Pediatric Hospital. Lattakia, Syria on 6-7 November, 2019. (Oral Presentation).
- Annual Scientific symposium of the Syrian Society of Nephrology & hypertension. Damascus on May 11-12, 2023. (Oral Presentation).

143. The Impact of Unrelated Transplant on Establishing Deceased Donor Program?

- The 15th Congress of the International Society of Organ procurement and Donation (ISOPD). Dubai, UAE on 14-16 November, 2019. (Oral Presentation).
- The 17th MESOT Congress held virtually in Amman Jordan on September 3-5/2021(Poster presentation)

144. Organ Transplantation in Syria: current Status and future Challenges

- Tishreen Military Hospital in Damascus. Damascus. February 03, 2020. (Oral Presentation).

145. Recurrent Disease in Pediatric Kidney transplantation

- The 18th Annual and International Conference of Jordan Society of Nephrology and renal Transplantation (JSNRT) and the 3rd International

Pediatric Nephrology Association (IPNA) Teaching Course in Clinical Nephrology. Dead Sea – Jordan. 12-14th, February 2020. (Oral presentation).

- The 9th IRSOT Congress, 31 Oct-03 Nov 2023. Shiraz Iran. (Oral Presentation).

146. *Organ Transplantation in Syria: current Status and future Challenges*

- Damascus Scientific Health Days. Al-Assad National Library. Damascus. February 23-25, 2020. (Oral Presentation).
- The 17th MESOT Congress held virtually in Amman Jordan on September 3-5/2021(Oral presentation)

147. *Deceased Organ Donation in Syria: Challenges and Solutions*

- Symposium on Deceased Organ Donation & Religion. March, 12-13, 2020. Bashkent University. Ankara. Turkey. (Oral Presentation).
- The 17th MESOT Congress held virtually in Amman Jordan on September 3-5/2021(Oral presentation)
- The 18th Annual Congress of the Syrian Society of Nephrology and Renal Transplantation held in Al Wadi Hotel Homs Mishtayeh on December 16-17/2021(Oral presentation)
- The 9th IRSOT Congress, 31 Oct-03 Nov 2023. Shiraz Iran. (Oral Presentation).
- The International Symposium on Brain Death and Circulatory Death. Nov 29-30, 2023. Ankara Turkey. (Oral presentation).

148. *Overview on Pediatric Renal Transplantation*

- Iran Pediatric Kidney Transplant Webinar organized by the Iran University of Medical Sciences in Tehran on July 16, 2020. (Oral Presentation).

149. *Challenges in Pediatric Kidney Transplantation: Middle East Perspectives.*

- Iran Pediatric Kidney Transplant Webinar organized by the Iran University of Medical Sciences in Tehran on July 16, 2020. (Oral Presentation).
- The 17th MESOT Congress held virtually in Amman Jordan on September 3-5/2021(Oral presentation)

150. *Overview on Pediatric Renal Transplantation*

- Egyptian Society of Nephrology and Renal Transplantation WEBINAR Zoom Meeting on August 09, 2020. (Oral Presentation).

151. *Approaching a child with hematuria*

- Iraqi Society of Nephrology and Renal Transplantation WEBINAR Zoom Meeting on August 28, 2020. (Oral Presentation).
- Damascus Scientific Health Days, Damascus Hospital. October 18, 2022. (Oral presentation).

152. Update in Pediatric Hypertension

- Egyptian Society of Nephrology and Renal Transplantation WEBINAR Zoom Meeting on September 20, 2020. (Oral Presentation).
- World Hypertension Day: Organized by Tishreen University, Nephrology Dept. At Tishreen University Hospital on Zoom Meeting on May 27, 2021. (Oral Presentation).

153. Management of Pediatric Kidney Transplant Recipient During the Covid-19 Pandemic

- The 2nd MESOT Webinar entitled: How to increase Deceased Organ Donation during the Covid-19 Era. On June 9, 2021

154. Impact of COVID-19 Pandemic on Management of Pediatric Kidney Transplant Recipients

- The 17th MESOT Congress held virtually in Amman Jordan on September 3-5/2021(Oral presentation)
- The 3rd Farah Association for Child with kidney Disease Conference on November 25-26, 2021 at Kaisar Palace Hotel in Damascus (Oral Presentation).

155. Organ Donation & Transplantation in Syria

- The Best of SCCM Critical Care Congress. Workshop on Organ Donation held virtually in Abu Dhabi UAE on November 29/2021(Oral presentation)

156. Spectrum of Steroid-Resistant and Congenital Nephrotic Syndrome in Children: The PodoNet Registry Cohort

- The 18th Annual Congress of the Syrian Society of Nephrology and Renal Transplantation held in Al Wadi Hotel Homs Mishtayeh on December 16-17/2021(Oral presentation)

157. Pediatric Kidney Transplantation in the Middle East: Challenges and Solutions

- International Symposium on Pediatric and Liver Transplantation. held in Ankara Turkey on February 10-11/2022(Oral presentation)
- The 29th Congress of The Transplantation Society (TTS). Buenos Aires, Argentina. (Poster Presentation).

- The 4th Farah Association for Child with Kidney Disease Conference. Damascus, Caesar Palace Hotel, Syria. (Oral Presentation).
- The 22nd Congress of the Union of Arab Pediatric Societies in Conjunction with the 18th International Conference of Jordan Pediatric Society, Amman Le Royal Hotel Jordan (Oral Presentation).
- The Summit of Urology & Nephrology SUN 23 of the National Institute of Urology and Nephrology Conference. Cairo. 3-5 May 2023. (Oral presentation).
- The 2nd International Congress of the Iraqi Society of Nephrology and renal Transplantation held in Babylon Hotel in Baghdad on January 25-26, 2024. (Oral Presentation).
- The Annual UAE Organ Donation and Transplantation Conference held in Conrad Hotel in Dubai on January 27-31, 2024. (Oral Presentation).
- Néphrologie Francophone du Moyen Orient (Web n 63) organisé par SFNDT on February 13, 2024

158. Deceased Organ Donation in Syria: Challenges and Solutions

- The 20th Annual Congress of the Jordan Society of Nephrology and Renal Transplantation. held in Amman Jordan on March 02-05/2022(Oral presentation)
- International Symposium on Brain Death & Circulatory Death held in Ankara on November 29-30, 2023. (Oral Presentation).
- The Annual UAE Organ Donation and Transplantation Conference held in Conrad Hotel in Dubai on January 27-31, 2024. (Oral Presentation).

159. Infection and Cancer Screening in Potential Living Donors: Best Practices to Protect the Donor and Recipient

- International Symposium on Living and Deceased Donor Recent Criteria . Held in Ankara Turkey, 5-6 May, 2022 (Oral presentation)
- SUN24: Summit of Urology and Nephrology 2024. The Annual Congress of the National Institute of Urology and Nephrology in Cairo, Egypt. 08-10 May 2024. (Oral Presentation).

160. Hypertension in Childhood and Adolescence: New Guidelines

- Syrian Society of Nephrology & Transplantation meeting on Hypertension & Renal Stones. Held in Caesar Hotel, Damascus, 19-20 May, 2022 (Oral presentation)

161 - The Major Causes of Chronic Renal Insufficiency in Syrian Children

A Scientific Day of Tishreen Military Hospital in Damascus on Chronic Kidney Disease; June 25th, 2022, Damascus - Syria. (Oral presentation).

162 – Organ Donation & Transplantation in Syria: Challenges and Solutions

The International Conference for Initiatives on Organ and Tissue Donation and Transplantation. November 7-9, 2022. ADNEC. Abu Dhabi, UAE. (Oral presentation).

163 – Cell Therapy and Tissue Engineering in Renal Diseases.

- The 21st International Congress of the Jordan Society of Nephrology and Renal Transplantation. March 1-3, 2023. Sheraton Hotel. Amman, Jordan. (Oral presentation).
- The 1st International Conference of Oman Society of Nephrology and Renal Transplantation. September 7-9, 2023. Millennium Hotel, Salalah, Oman. (Oral Presentation).

164 – Hemolytic Uremic Syndrome, Update.

- The 2nd Regional Update on Nephrology and Renal Transplantation organized by the Arab Society of Nephrology and Renal Transplantation (ASNRT), October 13-14, 2023, Le Royal Hotel, Beirut Lebanon. (Oral Presentation).
- Damascus Scientific Health Days, Surgical Kidney Hospital, Damascus. November 07, 2023. (Oral Presentation).

165- Organ Transplantation in Syria: Historical Perspective and Current Practice

- 20th Annual Congress of the Syrian Society of Nephrology and Hypertension. November 09-10, 2023, Golden Mazzeh Hotel. Damascus. (Oral Presentation).

166- Nutritional Management of Children with Chronic Kidney Disease

- 18th Congress of the Syrian Society of Pediatric Gastroenterology & Nutrition. December 06-07, 2023, La Mira Hotel. Lattakia. (Oral Presentation).

Active Lecturer in The CME Program

1 - Tubulo-Interstitial Nephropathy (TIN),

Damascus Hospital , Damascus , 2002

2 - Nephrotic Syndrome & Dyslipidemia,

Kidney hospital , Damascus , 2002.

3 - Kidney Hospital Protocols (KHP) ,

Kidney Hospital , academic activities; Damascus , 2002.

4 - Pediatric Renal Transplantation,

Kidney hospital, Damascus, January 13, 2003.

5 - Recurrent Urinary Tract Infection in Children.

Presented in different locations:

- Abizar Alghafari PHCC, Damascus, May 5 , 2003
- Kidney Hospital – Damascus, May 12, 2003
- Syrian Medical Association , Damascus July 23rd - 2003
- Safir Hotel, Homs – Syria, August 28th - 2003
- Damascus Hospital , Damascus October - 2003 .
- The 7th of April Primary Health Care Center: Family Medicine training program. May 13th , 2007

6 - Primary Nocturnal Enuresis

- Al-Zahrawi Hospital, Oct. 14, 2003. Damascus - Syria
- The Scientific Day of Pediatric Department At Damascus Hospital; Feb. 14, 2006. Damascus - Syria
- The 7th of April Primary Health Care Center: Family Medicine training program. April 29th, 2007
- Damascus Hospital. December 20, 2009. Damascus – Syria
- Kidney Hospital, December 31st, 2009. Damascus – Syria

7 - Approaching A Child With Hematuria

- Damascus Hospital, Damascus. June 12th, 2005.
- Damascus Hospital, Damascus. July 23rd, 2009

8 - The child with Acute Renal Failure.

- Damascus Hospital, Damascus. July, the 3rd , 2005.
- A meeting on Emergency Medicine for Pediatric Residency Training Program .Damascus Hospital. January, the 25th, 2007.
 - Damascus Hospital, Pediatric Residency Training Program Damascus. April, the 1st , 2009.

9- United Kingdome Guidelines For Living Donor Kidney

Transplantation (LDKT)

- The Academic activity program of the surgical Kidney Hospital in Damascus; March.30th, 2006. Damascus - Syria

10- Lupus Nephritis: Treatment And Prognosis.

- The Academic activity program of the surgical Kidney Hospital in Damascus; June. The first, 2006. Damascus – Syria

11- Nutritional Rickets Versus Non-nutritional Rickets

- The Academic activity program of the surgical Kidney Hospital in Damascus; September, 13th, 2007. Damascus – Syria

12- Metabolic Renal Disease

- The Academic activity program of the surgical Kidney Hospital in Damascus; September, 20th, 2007. Damascus – Syria

13- Updating Course in Nephrotic Syndrome

- The academic activity program of the Syrian Pediatric Society (SPS) for Pediatric Residents of the Arab Board of Medical Specialties. October, the 27th, 2007. Children Hospital, Damascus, Syria.

14- Glomerular Diseases in Syrian Children

- The Academic activity program of the surgical Kidney Hospital in Damascus; November, 22nd, 2007. Damascus – Syria

15- - Glomerulonephritis in Children

- The Academic activity program of the surgical Kidney Hospital in Damascus; February, 7th, 2008. Damascus – Syria

16- Hepatitis Control Practices in Hemodialysis Units.

- Intensive course on caring of hemodialysis patients. Damascus Hospital in Damascus; April, the 2nd, 2008. Damascus – Syria.

17- Urinary Tract Infection in Children.

- Continuous Medical Education Course for General Practitioners .organized by the ministry of health and the Syrian Medical Association. Physicians syndicate in Damascus. October 11-16, 2008. Damascus – Syria.

33- Microalbuminuria in The Early Detection of Diabetic Nephropathy

- The scientific program of Kidney Hospital – continuous medical education program ,March 12, 2009. Damascus-Syria

34- Characteristics of the Allogeneic Immune Response

- The 1st Post-Graduate Course on Transplantation Immuno-Biology. 2 -17

June, 2009. Kidney Hospital, Damascus, Syria. (Oral Presentation)

35- The Immune Response to Allografts

●The 1st Post-Graduate Course on Transplantation Immuno-Biology. 2 -17
June, 2009. Kidney Hospital, Damascus, Syria. (Oral Presentation)

36- Mechanisms of Immunosuppression

●The 1st Post-Graduate Course on Transplantation Immuno-Biology. 2 -17
June, 2009. Kidney Hospital, Damascus, Syria. (Oral Presentation)

37-Genomics & Xenotransplantation

●The 1st Post-Graduate Course on Transplantation Immuno-Biology. 2 -17
June, 2009. Kidney Hospital, Damascus, Syria. (Oral Presentation)

38 -Altruistic Living Kidney Donation Programs in Syria: facts & Difficulties.

● The Academic activity program of the surgical Kidney Hospital in Damascus; June 18th, 2009. Damascus – Syria

39- Disorders of Growth and Renal Diseases

● The Academic activity program of the surgical Kidney Hospital in Damascus; July 30th, 2009. Damascus – Syria

40- The Peritoneal Equilibration Test (PET). Procedure, Graphs, and Interpretation

●The Academic activity program of the surgical Kidney Hospital in Damascus; September 10th, 2009. Damascus – Syria

41- The Central Blood Pressure: Is it More Accurate Measure of CV Risk Assessment?

● The Academic activity program of the surgical Kidney Hospital in Damascus; October 29th, 2009. Damascus – Syria

42- Case Presentation: Recurrent Gross Hematuria Caused by Bilateral Renal Vasculature Anomaly

●Renal Club Meeting. Al Assad University Hospital. November 4th, 2009. Damascus-Syria

43- Glomerulonephritis in Children

● The Academic activity program of the surgical Kidney Hospital in Damascus; November 26th, 2009. Damascus – Syria

44- Case Presentation: Spontaneous Remission of Post-Transplant Recurrent FSGS

● Renal Club Meeting. Al Assad University Hospital. December 2th, 2009.

Damascus-Syria

45- Journal Club

● The Academic activity program of the surgical Kidney Hospital in Damascus; December 24th, 2009. Damascus – Syria

46- Case Presentation: 2 cases of gross hematuria, the first was due to a vascular malformation in the pyelocalyceal of left kidney, the second case is a Thin Basement Membrane Nephropathy in a child. Damascus Medical Association, Damascus, May 12, 2010.

47- Pediatric Hypertension:

Continuous Medical Education (CME) program of pediatric department at Damascus Hospital. Damascus. March 28, 2012.

Certificates:

1- *"Presenting skills & techniques"*; Shtoor. Lebanon. Oct. 5, 2002

2- *"When Should A Doctor See A Statistician?"*;

Amman. Jordan. Dec. the 3rd. 2005

3- *The Transplant Procurement Management (TPM) Intermediate Training course in Transplant Coordination*. Amman (Jordan) July 10th-12th, by IL3 group from the Institute de Formacio Continua –University of Barcelona – Spain.

Awards:

1- Acknowledgment from the Jordan Society of Nephrology for the participation in the Glomerulonephritis Update Diagnosis & Therapy. January 30th – February 1st, 2008. Dead Sea – Jordan.

2- Acknowledgement from The Middle East Society for Organ Transplantation (MESOT) for the participation in the 11th congress held in Shiraz – Iran. November 17-20th, 2008.

3- Acknowledgment from the Jordan Society of Nephrology for the participation in its 7th Scientific annual Meeting. February 18 –20th, 2009. Amman – Jordan.

4- Scholarship Award from the International Society of Nephrology (ISN) for the abstract entitled "Obstructive Nephropathy: The single most common cause of chronic kidney disease in children" for the World Congress of Nephrology 2009 Satellite Conference

‘Kidney Disease in Disadvantaged Populations’ Aula Magna, University of Milan May 26-28, 2009, Milan , Italy Organized by the ISN COMGAN Committee on Kidney Health in Disadvantaged Populations.

- 5- Acknowledgment from the Syrian Medical Association for the participation in its 9th International Congress held in Damascus – Syria. June 18 –21st, 2009.**
- 6- Scholarship Award from the International Society of Nephrology (ISN) for the abstract entitled “Pediatric versus Adult Kidney Transplantation Activity in Arab countries “ for the 9th Conference on Kidney Disease in Disadvantaged Populations Kidney Disease: A Global Challenge of Epidemic Proportions 4-5 June 2013, Hong Kong Academy of Medicine, Aberdeen, Hong Kong. An official satellite meeting of the World Congress of Nephrology 2013**
- 7- The Transplantation Society (TTS) Emerging Economy Nation Award for the 29th International Congress of the TTS. This award recognizes of the excellence for the abstract: “Rabies acquired through kidney transplantation in a child: A case report” which was presented orally during the 29th TTS Congress held in Buenos Aires Argentina on September 11-14, 2022.**
