EDUCATION

Master of Science, Management - August 1992 with Honors
Regis University, Denver, Colorado

Bachelor of Science, Organismal Biology - May 1986
The University of Kansas, Lawrence, Kansas

EMPLOYMENT HISTORY

Founder and Sole Member, JPO Ventures, LLC – Oklahoma City, Oklahoma – June 2023 to present

President and Chief Executive Officer, LifeShare Network – Oklahoma City, Oklahoma – February 2012 to present

Chief Executive Officer, Center for Donation and Transplant - Albany, New York - July 2003 to January 2012

Managing Director, Tissue Services, LifeGift Organ Donation Center - Houston, Texas - June 1996 to June 2003

Regional Director, LifeGift Organ Donation Center of West Texas - Lubbock, Texas - September 1995 to December 1996

Manager of Tissue Recovery and Processing, Mile High Transplant Bank/AlloSource - Denver, Colorado - September 1993 to August 1995

Organ Recovery Coordinator, Colorado Organ Recovery Systems - Denver, Colorado - December 1988 to September 1993

Transplant Coordinator, Midwest Organ Bank - Kansas City, Missouri - October 1987 to December 1988

BOARD CERTIFICATIONS

American Board of Transplant Coordinators (ABTC) - July 1989
Certification renewed – 1992, 1995, 1998, 2001, 2004, 2007, 2010, 2013, 2016, 2019, 2022

PROFESSIONAL ORGANIZATION MEMBERSHIP

- American Society of Transplant Surgeons (ASTS) –2014 to present
- The Transplant Infectious Disease Society (TIDS) –2013 to present
- The International Hand and Composite Tissue Allotransplantation Society (IHCTAS) – 2011 to present
- Organ Donation Research Consortium (ODRC) – 2010 to 2017
- American Society of Transplantation (AST) –2009 to present
- American College of Healthcare Executives (ACHE) – 2008 to present
- The International Society for Organ Donation and Procurement (ISODP) – 2003 to present
- Texas Transplantation Society (TTS) - 1995 to 2003, 2009 to present
- American Management Association (AMA) - 1995 to 2004
- American Association of Tissue Banks (AATB) - 1994 to present
- The Transplantation Society - 1993 to present
- Society for Organ Sharing - 1991 to 2003
- American Board of Transplant Coordinators (ABTC) - 1989 to present

PROFESSIONAL ORGANIZATION MEMBERSHIP. continued

- North American Transplant Coordinators Organization (NATCO) - 1987 to present

AWARDS

- “Metro’s Most Influential Leaders” – 405 Business, September 2023
- “55Over55 Inspiring Oklahomans” – November 2022
- “Leadership Award – Midsize Business Top Leader” – The Daily Oklahoman, December 2020
- AATB Jeanne C. Mowe Distinguished Service Award, October 2020
- AOPO/Sallop “Excellence in Leadership” Award, June 2014
- “CEO Spotlight”, The Daily Oklahoman, March 2014
- AOPO President’s Award, June 2012
- Texas Transplantation Society J. Kent Trinkle Abstract Competition Winner, June 2002

BOARD AND ELECTED POSITIONS

- Vice-President, ISODP Council, October 2023 to present
- Board of Directors, MTF Biologics, January 2023 to present
- Vice Chair, MTF Biologics Donation Board of Trustees (DBOT), January 2023 to present
- OPO Representative, OPTN Executive Committee, July 2022 to June 2023
- OPTN Board Finance Committee, July 2021 to June 2023
- UNOS Board Finance Committee, July 2021 to June 2023
- Corporate Affairs Committee, UNOS Board, July 2020 to present (non-voting advisor as of 7-1-23)
- OPO Representative, OPTN Executive Committee, July 2020 to June 2021
- Councilor Region 4, OPTN/UNOS, July 2020 to June 2023
- Founding Board Member, Return the Salute, December 2018 to August 30, 2022
- Associate Councilor Region 4, OPTN/UNOS, July 2018 to June 2020
- At-Large Member, AATB Board of Governors, October 2017 to October 2019
- President, the LifeShare Foundation Board of Directors, March 2017 to present
- Secretary, Donate Life America (DLA) Board of Directors, January 2016 to December 2017
- President, ODRC – June 2015 to June 2017
- Past-Chair, DLA Board of Directors, October 2014 to December 2015
- President-elect, ODRC – June 2013 to June 2015
- Chair, DLA Board of Directors, June 2012 to September 2014
- Past-President, Association of Organ Procurement Organizations (AOPO), June 2011 to June 2012
- Board of Directors, OPTN/UNOS, June 2010 to June 2012
- President, AOPO, June 2010 to June 2011
- Executive Committee, ODRC, September 2010 to June 2017
- Board of Directors, DLA, December 2009 to December 2017
- President-Elect, AOPO, June 2009 to June 2010
- Secretary – Board of Directors, New York Alliance for Donation (NYAD), July 2006 to April 2010
- MTF Medical Board of Trustees (MBOT), January 2005 to January 2008
- MTF DBOT, July 2003 to January 2012, August 2012 to present
- Board of Directors, NYAD, July 2003 to January 2012
- Medical Advisory Board, National Kidney Foundation of Northeast New York, July 2003 to October 2007
- Editorial Board, [Progress in Transplantation](#), December 1999 to December 2015
- Secretary - Board of Governors, NATCO, August 1996 to August 1998
- Editorial Board, [Journal of Transplant Coordination](#), July 1992 to December 1999
- Secretary - Board of Governors, ABTC, January 1992 through December 1994
- Board of Governors, ABTC, 1991

APPOINTED AND INVITED POSITIONS

- Chair, OrganOx OPO User Group, November 2023 to present
- Councilor from North America, ISODP Council, November 2021 to October 2023
- Ethics and Policy Advisory Committee, “Informing Ethical Translation of Xenotransplantation Clinical Trials”, Northwestern University and the Hastings Center, September 2021 to present
- Chair, AOPO Legislative and Regulatory Affairs Committee, June 2020 to June 2021

APPOINTED AND INVITED POSITIONS. continued

- Chair, MTF DBOT Ethics Committee, June 2020 to December 2022
- Co-Chair, SRTR Review Committee, January 2020 to December 2022
- Vice Chair, AOPO Legislative and Regulatory Affairs Committee, June 2019 to June 2020
- Co-Chair, UNOS System Performance Committee Systems Work Group, February 2018 to March 2019
- Coach, The Art and Science of Leadership, Gift of Life/Wharton/Fox School of Business, 2017 to present
- Chair, UNOS Membership and Professional Standards Committee, June 2016 to June 2018
- Vice Chair, UNOS Membership and Professional Standards Committee, June 2015 to June 2016
- Chair, State of Oklahoma Governor's Advancement of Wellness Advisory Council, January 2015 to present
- State of Oklahoma Governor's Advancement of Wellness Advisory Council, February 2014 to present
- State of Oklahoma State Department of Health Organ Donation Education and Awareness Program (ODEAP) Advisory Council Member, April 2013 to February 2014
- HRSA Quality Improvement Task Force, July 2010 to 2014
- New York State Transplant Council (NYSTC) Senate Appointment, May 2009 to January 2012
- Nucleic Acid Testing (NAT) Consensus Conference Committee, February to April 2009
- Chair, MTF DBOT Funeral Director's Committee, July 2008 to January 2011
- Chair, United Network for Organ Sharing (UNOS) OPO Committee, June 2008 to June 2010
- NYSTC Infectious Disease Workgroup, June 2007 to December 2008
- Vice-Chair, UNOS OPO Committee, June 2006 to June 2008
- NYSTC Extended Criteria Liver Donor Workgroup, June 2004 to November 2004
- NYSTC Senate Appointment, January 2004 to December 2008
- Co-chair - NATCO Annual Meeting Planning Committee, August 2002 to July 2003
- Section Editor - Progress in Transplantation, December 1999 to December 2015
- Co-chair - NATCO Operations Committee, August 1999 to August 2000
- Chairperson - NATCO Strategic Planning Committee, August 1998 to August 1999
- Chairperson - NATCO Research Committee, August 1992 to August 1994
- Co-chair - NATCO Scientific Studies Subcommittee, August 1991 to August 1992
- Editorial Consultant - Journal of Transplant Coordination, April 1991 to July 1992
- Acting Chairperson - NATCO Journal Subcommittee, November - December 1990
- Clinical Instructor - Department of Surgery, The University of Colorado, June 1990

COMMITTEES

- AOPO Leadership Development Committee, January 2022 to present
- SRTR Review Committee, January 2020 to December 2022
- UNOS Systems Performance Committee, February 2018 to March 2019
- AOPO Legislative and Regulatory Affairs (Advocacy) Committee, June 2016 to December 2022
- UNOS Policy Oversight Committee, June 2015 to June 2016
- UNOS Finance Committee, June 2014 to June 2015
- Donate Life Rose Parade Float Committee, February 2014 to March 2023
- MTF DBOT Ethics Committee, August 2013 to present
- MTF DBOT Executive Committee, June 2013 to June 2020, January 2023 to present
- UNOS Membership and Professional Standards Committee (MPSC), July 2013 to June 2020
- UNOS MPSC Policy Compliance Subcommittee, June 2013 to June 2019
- UNOS Corporate Advisory Committee, February 2012 to June 2014
- NYAD Finance Committee, May 2010 to January 2012
- AOPO Executive Committee, June 2009 to June 2012
- AOPO Executive Director Search Committee, November 2007 to May 2008
- AOPO Future Directions Initiative Workgroup, June 2007 to February 2008
- UNOS Organ Availability Committee, July 2006 to June 2008
- UNOS Policy Oversight Committee, December 2005 to June 2008
- MTF DBOT Ethics Committee, July 2005 to June 2008
- UNOS Donor Service Area Task Force, January 2005 to January 2007
- UNOS OPO Committee, July 2004 to June 2011
- MTF DBOT Grant Committee, April 2004 to July 2005
- AOPO Tissue Council Program Committee, September 2002 to June 2003
- NATCO Annual Meeting Planning Committee, August 2002 to July 2003

COMMITTEES. continued

- MTF Tissue Procedures and Protocol Committee, October 2001 to July 2005
- NATCO Operations Committee, August 1999 to August 2000
- UNOS User Advisory Committee, February 1998 to December 1999
- AATB Membership Committee, August 1996 to August 1998
- NATCO Strategic Planning Committee, August 1996 to August 2000
- NATCO Strategic Planning Committee, August 1992 to August 1994
- NATCO Research Committee, August 1992 to July 2003
- UNOS Scientific Advisory Committee, August 1992 to January 1994
- NATCO Journal Subcommittee, August 1990 to August 1991
- NATCO Scientific Studies Subcommittee, July 1989 to August 1992
- NATCO Membership Committee, July 1988 to July 1989

BIBLIOGRAPHY-JOURNAL ARTICLES

“Artery Preparation of Donor Liver with Replaced Right Hepatic Artery for Normothermic Machine Preservation.” SF Li, JB Nave, C Hostetler, H Solomon, A Milam, RA Squires, and JP Orlowski. American Journal of Case Reports, 2023; DOI: 10.12659/AJCR.940437.

“Date Carve Out in the Midst of the Covid-19 Pandemic.” RB Mannon, KK Khush, S Mohan, DM Vock, R Knight, J Pittman, C Zinner, and JP Orlowski. American Journal of Transplantation, (Letter to the Editor) published online June 29, 2022, DOI: 10.1111/ajt.17132

“Association of Transit Time with Cold Ischemic Time in Kidney Transplantation.” AM Placona, C Humphries, C Curran, W Ambrose, JP Orlowski, K Gauntt, and J Wainwright. JAMA Network Open, 2021;4(12):e2141108.

“Performance of Renal Allografts Perfused with Verapamil-Treated Perfusion Solution.” AJ Boyer, RE Ketcham, CA Hostetler, JP Orlowski, and RA Squires. Progress in Transplantation, 2021;31(4):373-80.

“The Impact and Implications of the COVID-19 Pandemic on Organ Procurement Outside of an Epicenter.” JJ Hudgins, AJ Boyer, KD Orr, CA Hostetler, JP Orlowski, and RA Squires. Progress in Transplantation, 2021;31(2):171-3.

“Neonatal Organ and Tissue Donation for Research: Options Following Death by Natural Causes.” M Anderson, S Youngner, RD Smith, RR Nandyal, JP Orlowski, BJ Hill, SG Barsman. Cell Tissue Bank, 2020;21:289–302.

“Envisioning and Leading Organizational Transformation: One Organ Procurement Organization's Journey.” Orlowski, JP. Cureus 8(11): e879. DOI 10.7759/cureus.879 (November 15, 2016).

“The clinical relevance of Organ Procurement and Transplantation Network screening criteria for program performance review.” Salkowski N, Wey A, Snyder JJ, Orlowski JP, Israni AK, Kasiske BL. Clinical Transplantation, 2016;30:1066-1073.

“The OPTN Deceased Donor Potential Study: Implications for Policy and Practice”
DK Klassen, LB Edwards, DE Stewart, AK Glazier, JP Orlowski and CL Berg. American Journal of Transplantation, 2016;16(6):1707-14.

“Solid Organ Transplantation from Hepatitis B Virus Positive Donors: Consensus Guidelines for Recipient Management.” S Huprikar, L Danziger-Isakov, J Ahn, S Naugler, E Blumberg, RK Avery, C Koval, ED Lease, A Pillai, KE Doucette, J Levitsky, MI Morris, K Lu, JK McDermott, T Mone, JP Orlowski, DM Dadhania, K Abbott, S Horslen, BL Laskin, A Mougdil, VL Venkat, K Korenblat, V Kumar, P Grossi, RD Bloom, K Brown, CN Kotton, and D Kumar. American Journal of Transplantation, 2015;15(5):1162-72.

“Optimal Testing of the Live Organ Donor for Blood-borne Viral Pathogens: The Report of a Consensus Conference.” EA Blumberg, MG Ison, TL Pruett, DL Segev, and Optimal Testing of the Live Donor Consensus Conference Participants (One of sixteen collaborators). American Journal of Transplantation, 2013;13(6):1405-15.

BIBLIOGRAPHY-JOURNAL ARTICLES. continued

“Diagnosis and Management of Tuberculosis in Transplant Donors: A Donor-Derived Infections Consensus Conference Report.” MI Morris, JS Daly, E Blumberg, D Kumar, M Sester, N Schluger, SH Kim, BS Schwartz, MG Ison, A Humar, N Singh, M Michaels, JP Orlowski, F Delmonico, T Pruett, GT John, and CN Kotton. American Journal of Transplantation, 2012:12(9):2288-300.

“The Impact of CBIG’s on Donor Management Goals at a Level I Trauma Center.” L Quinn, W McTague, and JP Orlowski. Transplantation Proceedings, 2012:44(7):2190-2.

“Current Practices and Evaluation of Screening Solid Organ Donors for West Nile Virus.” RJ Nett, MJ Kuehnert, MG Ison, JP Orlowski, M Fischer, and JE Staples. Transplant Infectious Disease, 2012:14(3):268-77.

“Every Organ, Every Time Attitude Teamed Up with SoftMD™ Results in Successful Lung Transplant from 72-Year-Old Donor.” B York, B Mann, C Jones, and JP Orlowski. Progress in Transplantation, 2012:22(2):207-11.

“What Will It Take? Kidney Programs Prove Resistant to Modifying Donor Acceptance Criteria In UNET.”D Stewart, K Taylor, JP Orlowski, P Camp, M Angelis, and R Metzger. American Journal of Transplantation, 2012:12(3):500.

“A Prospective Observational Study of Patients Referred for Organ Donation Treated with Therapeutic Hypothermia.” CE Wright, NA Neidlinger, JP Stinebring, CA Jones, JP Orlowski, LA Dills, VG Glinski and PL Carroll. American Journal of Transplantation, 2012:12(3):362.

“Zero Risk Tolerance Costs Lives—Loss of Transplantable Organs Due to HIV NAT Testing of Potential Donors.” TJ Shafer, D Schkade, L Schkade, SS Geier, JP Orlowski, and G Klintmalm. Progress in Transplantation, 2011:21(3):236-47.

“Development of Donor Yield Models.” EE Messersmith, C Arrington, C Alexander, JP Orlowski, and R Wolfe. American Journal of Transplantation, 2011:11(10):2075-84.

“Mining OPTN Data for Opportunities to Place Marginal Organs More Quickly.” DE Stewart, KH Taylor, JP Orlowski, PC Camp, and RA Metzger. American Journal of Transplantation, 2011:11(2):219.

“Nucleic Acid Testing (NAT) of Organ Donors: Is the “Best” Test the Right Test? A Consensus Conference Report.” A Humar, M Morris, E Blumberg, R Freeman, J Preiksaitis, B Kiberd, E Schweitzer, S Ganz, A Caliendo, JP Orlowski, B Wilson, C Kotton, M Michaels, S Kleinman, S Geier, B Murphy, M Green, M Levi, G Knoll, D Segev, S Brubaker, R Hasz, DJ Lebovitz, D Mulligan, K O’Connor, T Pruett, M Mozes, I Lee, F Delmonico, and S Fischer. American Journal of Transplantation, 2010:10(4):889-99.

“Donor Screening for Human T-cell Lymphotropic Virus 1/2: Changing Paradigms for Changing Testing Capacity.” DR Kaul, S Taranto, C Alexander, S Covington, M Marvin, M Nowicki, J Orlowski, C Pancoska, TL Pruett, and MG Ison. American Journal of Transplantation, 2010:10(2):217-23.

“Nucleic Acid Testing (NAT) For HIV, HBV, and HCV: Current Practices of 58 US Organ Procurement Organizations (OPOs).” JP Orlowski, CE Alexander, MG Ison, JD Rosendale, and FL Chabalewski. American Journal of Transplantation, 2009:9(2):197.

“Do Donor Conversion Rates Vary by Age or Ethnicity?” JD Rosendale, JP Orlowski, CE Alexander, and FL Chabalewski. American Journal of Transplantation, 2009:9(2):351.

“Organ Donation and Utilization in the United States: 1998-2007.” JE Tuttle-Newhall, SM Krishnan, MF Levy, V McBride, JP Orlowski, and RS Sung. American Journal of Transplantation, 2009:9(4, Part 2):879-93.

“Organ Donation and Utilization 1995-2004: Entering the Collaborative Era.” WH Marks, D Wagner, TC Pearson, JP Orlowski, PW Nelson, JJ McGowan, MK Guidinger, and J Burdick. American Journal of Transplantation, 2006:6(5, Part 2):1101-10.

“Workgroup on Expanded Criteria Organs for Liver Transplantation.” New York State Department of Health Workgroup. Liver Transplantation, 2005:11(10):1184-92.

BIBLIOGRAPHY-JOURNAL ARTICLES. continued

“Program Development and Routine Notification in a Large, Independent OPO: a 12 Year Review.” TJ Shafer, CT Van Buren, CA Andrews, RN Ehrle, KD Davis, JP Orlowski, RT Gruenenfelder, SM Oppermann, RP Wood, WG Guerriero, BN Fowler, GL Brown, HE Warner, JS Mazzella, DD Gentry, WS Wolf, and DH Reyes. Journal of Transplant Coordination, 1999:9(1):40-9.

“The Texas Non-Donor Hospital Project: A Preliminary Report on the Impact of In-House Coordinators on Organ Donation Rates in Non-Donor Hospitals.” TJ Shafer, MJ Hueneke, WS Wolff, KD Davis, RN Ehrle, CT Van Buren, JP Orlowski, and C White. Transplantation Proceedings, 1997:29:3261-2.

“Texas Non-Donor Hospital Project: A Program to Increase Organ Donation in Community and Rural Hospitals.” TJ Shafer, R Durand, MJ Hueneke, WS Wolff, KD Davis, RN Ehrle, CT Van Buren, JP Orlowski, DH Reyes, RT Gruenenfelder, and CK White. Journal of Transplant Coordination, 1998:8(3):146-52.

“Successful Organ Procurement in a Rural Setting: The Wyoming Experience.” MA Holmquist, JP Orlowski, and EK Spees. Journal of Transplant Coordination, 1994:4(1):44-7.

“Successful Use of Kidneys from Diabetic Cadaver Kidney Donors: 67- and 44-Month Graft Survival.” JP Orlowski, EK Spees, CL Aberle and KM Fitting. Transplantation, 1994:57(7):1133-4.

“Decreased Numbers of Cadaveric Donors with Traumatic Injuries Equals Increasing Donor Age: A 6 Year Analysis.” JP Orlowski and EK Spees. Transplantation Proceedings, 1993:25(6):3101.

“Practical Reduction of Transplant Costs: Use of Commercial Transportation Instead of Charter Aircraft for Sharing Pancreas Grafts.” JP Orlowski, CL Jaynes and EK Spees. Archives of Surgery, 1993:128(10):1111-4.

“Thyroxine (T-4) Effective as Hemodynamic Rescue Agent in Management of Organ Donors.”(Letter) JP Orlowski. Transplantation, 1993:55(4):959.

“Improved Cardiac Transplant Survival with Thyroxine (T-4) Treatment of Hemodynamically Unstable Donors-95.2% Graft Survival at Six and Thirty Months.” JP Orlowski and EK Spees. Transplantation Proceedings, 1993:25(1):1535.

“Eighteen Month Graft and Patient Survival Following Liver Transplantation with Organs Recovered from Cadaveric Donors Managed with Thyroxine (T-4): A Retrospective Study.” JP Orlowski and EK Spees; The Journal of Transplant Coordination, Vol.1, No. 3, 1991:144-9.

“Graft Survival of Livers Procured from Donors Managed with Levothyroxine (T-4).” JP Orlowski and EK Spees Journal of Transplant Coordination, Vol. 1, No. 2, 1991:108.

“The Use of Thyroxine (T-4) to Promote Hemodynamic Stability in the Vascular Organ Donor: A Preliminary Report on the Colorado Experience.” JP Orlowski and EK Spees; Journal of Transplant Coordination, Vol.1, No. 1, 1991:19-22.

“The Successful Use of Marginal Cadaver Donor Kidneys.” EK Spees, JP Orlowski, and DR Temple; Transplantation Proceedings, Vol. 22, No. 4, 1990:1382-3.

“Use of T-4 for Managing Hemodynamically Unstable Donor: Clinical Experience of Colorado Organ Recovery Systems.” JP Orlowski; Transplant Management, Vol. 2, No. 2, 1990:13-4.

“Successful Utilization of Cadaver Kidneys from Diabetic Donors for Transplantation.” EK Spees, JP Orlowski, KM Fitting et al; Transplantation Proceedings, Vol. 22, No. 2, 1990:378-9.

“Successful Use of Polycystic Cadaver Donor Kidneys.” EK Spees, JP Orlowski, WJ Schorr et al; Transplantation Proceedings, Vol. 22, No. 2, 1990:374-5.

“Evolution of the Colorado Organ Recovery Systems-1986 to 1989.” EK Spees, JP Orlowski, JW Springer et al; Transplantation Proceedings, Vol. 22, No. 2, 1990:326-9.

“Efficacy of Simultaneous Cadaver Pancreas and Liver Recovery.” EK Spees, JP Orlowski, DR Temple et al; Transplantation Proceedings, Vol. 22, No. 2, 1990:427-8.

“Are Pediatric Organ Donors Well Utilized?” EK Spees, JP Orlowski, I Kam et al; Transplantation Proceedings, Vol. 22, No. 2, 1990:359-60.

BIBLIOGRAPHY-JOURNAL ARTICLES. continued

“The Need for and Effects of a High-Risk Donor Policy with Regard to HIV and Hepatitis B.” JP Orlowski; Journal of the American Nephrology Nurses Association, Vol. 15, No. 4 (August), 1988:248.

GRANTS

“Variables Important to the Consent Process: Analysis of Donor and Non-Donor Families’ Experiences.” JP Orlowski, KD Davis, and TJ Shafer. Grant received from: Ortho Biotech Inc., through NATCO, August 1998.

“Texas Non-Donor Hospital Project: A Program to Increase Organ Donation.” SM Holtzman, TJ Shafer, CVan Buren, KD Davis, RN Ehrle, R Gruenenfelder, JP Orlowski, and M Hueneke. Grant received from: The Division of Organ Transplantation, Health Resources Services Administration, Rockville, MD. Final report submitted July 1997.

ABSTRACTS

“Health Equity in Organ Donation: A Single OPO Review.” JP Orlowski, RE Ketcham, JG Mathews, KA Gillespie, JM Morton, KJ Smith, and CA Hostetler. Oral Presentation – ISODP Scientific Congress – Las Vegas, NV, October 21, 2023.

“Organ Donor Outcomes in the Hispanic/Latino Population: A Single OPO Review.” JG Mathews, RE Ketcham, CA Hostetler, JS Morton, KA Gillespie, KJ Smith, and JP Orlowski. Oral Presentation (by Mathews) – ISODP Scientific Congress – Las Vegas, NV, October 19, 2023.

“The Effect of a Dedicated Trainer on Error Reduction in Donation Services.” BN Brewer, AM Harrison, CA Hostetler, and JP Orlowski. Poster Presentation – AATB Annual Meeting – National Harbor, MD, September 17-20, 2023.

“Decreasing Contamination based on CHG Scrub Time.” AN Wayda, AM Harrison, CA Hostetler, and JP Orlowski. Poster Presentation – AATB Annual Meeting – National Harbor, MD, September 17-20, 2023.

“Artery Preparation of Donor Liver with Replacment Right Hepatic Artery for Normothermic Machine Perfusion.” S Li, B Nave, C Hostetler, H Solomon, A Milam, R Squires, and JP Orlowski. Poster Presentation – American Transplant Congress – San Diego, CA, June 6, 2023.

“Advantages of PCR Blood Testing vs. Default AB Typing.” H Solomon, JA Nieto, S Li, RE Ketcham, R Squires, JB Nave, C Hostetler, RP Wood, and JP Orlowski. Poster Presentation – American Transplant Congress – San Diego, CA, June 5, 2023.

“A Decade of Growth: One OPO’s Journey to Excellence.” JP Orlowski, RA Squires, CA Hostetler and RE Ketcham. Oral Presentation – 2022 Congress of the Transplantation Society – Buenos Aires, Argentina, September 14, 2022.

“Examining One Procurement Organization’s Growth: Riding Coattails or Innovating?” CA Hostetler, JP Orlowski, RA Ketcham, and RA Squires. Oral Presentation – 2022 Congress of the Transplantation Society – Buenos Aires, Argentina, September 13, 2022.

“Indeterminate AB Blood Type in Donors after Mass Transfusion: Safe Choice or Lost Opportunity?” H. Solomon, A. M. Hawxby, S.F. Li, R. E. Ketcham, J. P. Orlowski, R. A. Squires, B. Nave, C. Hostetler. Poster Presentation - AOPO 2022 Annual Meeting – Phoenix, AZ, June 13-16, 2022.

“Higher BMI Donors Yield Fewer Organs and are More Susceptible to Surgical Damage at Organ Recovery.” Hawxby AM, Li SF, Solomon H, Orlowski JP, Ketcham RE, Milam AN, Nave JB, Squires R, Hostetler C. Poster Presentation - AOPO 2022 Annual Meeting – Phoenix, AZ, June 13-16, 2022.

“Duration Of Brain Death Does Not Impact Short Term Outcomes in Kidney Transplantation.” Hwxby AM, Ketcham R, Orlowski JP, Squires R, Solomon H, Hostetler C. Poster Presentation - American Transplant Congress, Boston MA, June 7, 2022.

ABSTRACTS. continued

“Organ Donation at A Centralized Donation Facility Compared To Donation at Referral Hospitals.” Hawxby AM, Ketcham R, Leader, J, Burch D, Benoit M, Squires R, Hostetler C, Orlowski JP. Poster Presentation - American Transplant Congress, Boston MA, June 7, 2022. POSTER OF DISTINCTION AWARD

“Placement Of COVID Positive Organs: An Early Analysis.” Hawxby AM, Ketcham R, Orlowski JP, Squires R, Solomon H, Hostetler C. Poster Presentation - American Transplant Congress, Boston MA, June 5, 2022.

“Early Vs. Late Heparin Administration After Declaration of Death in DCD Donors Does Not Impact Short Term Outcomes In Kidney Transplantation.” Hawxby AM, Ketcham R, Orlowski JP, Squires R, Solomon H, Hostetler C. Poster Presentation - American Transplant Congress 2022 – Boston, MA, June 4, 2022. POSTER OF DISTINCTION AWARD

“Decreasing Cardiovascular Error Rates by Using Individual Metric Dashboards.” AN Wayda, AM Harrison, JA Legg, CA Hostetler, JP Orlowski. Abstract Virtual Presentation, 2021 AATB Annual Meeting – Virtual Meeting, December 6-8, 2021.

“Impact of a Dedicated Medical Examiner Liaison on Tissue Recovery.” AM Harrison, JA Benavides, AN Wayda, JA Legg, CA Hostetler, JP Orlowski. Abstract Virtual Presentation, 2021 AATB Annual Meeting – Virtual Meeting, December 6-8, 2021.

“Decreasing Authorization to Increase Tissue Donors Recovered.” AM Harrison, CA Hostetler, JP Orlowski. Abstract Virtual Presentation, 2021 AATB Annual Meeting – Virtual Meeting, December 6-8, 2021.

“Successful Outcomes in Non-Traditional Donation After Circulatory Death Organ Donation from a 44-year-old Caucasian Male Admitted After Suffering TBI Requiring Bi-level Non-Invasive Ventilation: A Case Study.” JB Nave, JE Leader, AN Milam, CA Hostetler, RA Squires, JP Orlowski. Abstract – Oral Presentation, 2021 Texas Transplantation Society Annual Scientific Meeting – Houston, Texas, November 5, 2021.

“Successful Outcomes in Fetal Delivery and Organ Donation in a Pregnant Woman Diagnosed with Brain Death at 18 Weeks’ Gestation: A Case Study.” JJ Hudgins, AJ Boyer, JB Nave, CA Hostetler, RA Squires JP Orlowski. Abstract – Oral Presentation, 2020 Texas Transplantation Society Annual Scientific Meeting – Virtual Meeting, November 5, 2020.

“Increasing Donor Lung Yield: A Systematic Approach to Increase Placement of Less Optimal Donors.”CA Hostetler, C Muse, AJ Boyer, BJ Nave, JP Orlowski, RA Squires. Abstract – Poster Presentation, AOPO Annual Meeting 2020 – Virtual Meeting, June 24-26, 2020. **Top 3 Abstract Award Winner.**

“Making History, Saving Lives: One OPOs Experience Making History by Being the First in the Nation to Successfully Allocate Seven Organs for Transplant from a Donation after Circulatory Death (DCD) Donor.” JB Nave, AJ Boyer, CA Hostetler, CC Muse, RA Squires, JP Orlowski. Abstract – Poster Presentation, American Transplant Congress 2020 – Virtual Meeting, May 30-June 1, 2020.

“Maximizing the Gift: One OPO’s Experience Maximizing the Gift of Organ Donation by Successfully Increasing the Number of Organs Transplanted from Non-Braindead Donors.” JB Nave, AJ Boyer, CA Hostetler, CC Muse, RA Squires, JP Orlowski. Abstract – Poster Presentation, American Transplant Congress 2020 – Virtual Meeting, May 30-June 1, 2020.

“A Follow-up Over Time to the Impact of Reactive Anti-HCV and HCV NAT.” CC Muse, CA Hostetler, RA Squires, JP Orlowski. Abstract – Poster Presentation, American Transplant Congress 2020 – Virtual Meeting, May 30-June 1, 2020.

“Multi-OPO Review of the Impact of Reactive Anti-HCV and HCV NAT Results.” CC Muse, CA Hostetler, RA Squires, JP Orlowski. Abstract – Poster Presentation, American Transplant Congress 2020 – Virtual Meeting, May 30-June 1, 2020.

“The Heart of the matter: The impact of the 2018 Heart Allocation Policy at a single OPO.” AJ Boyer, JB Nave, CA Hostetler, CC Muse, RA Squires, JP Orlowski. Abstract – Poster Presentation, American Transplant Congress 2020 – Virtual Meeting, May 30-June 1, 2020.

ABSTRACTS. continued

“What’s Lung Got to Do with It? The Impact of the 2017 Lung Allocation Policy at a Single Organ Procurement Organization.” AJ Boyer, JB Nave, CA Hostetler, CC Muse, RA Squires, JP Orlowski. Abstract – Poster Presentation, American Transplant Congress 2020 – Virtual Meeting, May 30-June 1, 2020.

“Successful Delivery of a Healthy Infant with Subsequent Recovery and Transplant of Organs from a Brain Dead Mother Following 105 Days of Maternal Somatic Support: A Case Study.” JP Orlowski, C Trahan, K Denton, CA Hostetler, JF Whaley, CC Muse, SD Ward, JJ Hudgins, and RA Squires. Abstract – Oral Presentation, ISODP 2019 Congress – Dubai, UAE, November 16, 2019.

“The Impact of Broader Allocation on Lung Organ Acquisition Cost: An Analysis of Two US OPOs’ One Year Experience.” JP Orlowski, KM Barnes, MJ Benoit, BL Adams, and PA Niles. Abstract – Oral Presentation, ISODP 2019 Congress – Dubai, UAE, November 14, 2019.

“Rapid DCD Pre-serology Lungs Successfully Recovered and Transplanted Using Ex Vivo Lung Perfusion.” CH Hostetler, C Trahan, RA Squires, LM Blalock-Stanley, GL Pawnee, and JP Orlowski. Abstract – Oral Presentation, 2019 Texas Transplantation Society Annual Scientific Meeting – Austin, Texas, July 19, 2019.

“Does Rapid Growth in the Number of Donation after Circulatory Death Donors Equate to Fewer Brain Dead Donors and Fewer Organs Transplanted?” JP Orlowski, JF Whaley, C Trahan, CC Muse, and RA Squires. Abstract – Oral “Campfire” Presentation, 27th International Congress of the Transplantation Society – Madrid, Spain, July 2, 2018.

“Liver Allocation: One OPO’s Experience with Expedited versus Non-Expedited Placement.” CC Muse, RA Squires, C Trahan, JF Whaley, and JP Orlowski. Abstract – Poster Presentation, American Transplant Congress 2018 – Seattle, WA, June 2, 2018.

“The Practical Impact of Reactive HCV NAT and Anti-HCVA Results: One OPO’s Experience.” JP Orlowski, CN Johnston, RT Bashaw, JF Whaley, and RA Squires. Abstract – Oral Presentation, 14th Congress of the International Society for Organ Donation and Procurement – Geneva, Switzerland, September 9, 2017.

“Does Timing Affect Calculation of Kidney Donor Profile Index? One OPO’s Experience.” JP Orlowski, CC Muse, JF Whaley, and RA Squires. Abstract – Oral Presentation, 14th Congress of the International Society for Organ Donation and Procurement – Geneva, Switzerland, September 9, 2017.

“When Only One of Paired Organs are Transplanted: Is There a Missed Transplant Opportunity?” JP Orlowski, CC Muse, JF Whaley, and RA Squires. Abstract – Oral Presentation, 14th Congress of the International Society for Organ Donation and Procurement – Geneva, Switzerland, September 8, 2017.

“Using Buccal Swabs for Deceased Donor HLA Typing.” S Longobardi, C Muse, JP Orlowski, I Gimferrer. Abstract – Poster Presentation, American Transplant Congress 2017 - Chicago, IL, May 1, 2017.

“Increased Consented-Not Recovered (CNR) Cases as a Consequence of Aggressive Donor Pursuit: Impact and Implications.” JP Orlowski, CC Muse, JF Whaley, J Foutch and RA Squires. Abstract – accepted for Oral “Campfire” Presentation, The Transplantation Society 2016 Congress – Hong Kong, China, August 21, 2016.

“Experience with Donation after Circulatory Death (DCD) in Donors Aged 56-65: A Preliminary Report on Kidney Utilization and Initial Outcomes.” JP Orlowski, CC Muse, JF Whaley, J Foutch and RA Squires. Abstract – accepted for Oral Presentation, The Transplantation Society 2016 Congress – Hong Kong, China, August 20, 2016.

“The Impact of Share 35 on Liver Allocation and Utilization: One DSA’s Experience.” JP Orlowski, CC Muse, JF Whaley, and RA Squires. Abstract – Oral Presentation, American Transplant Congress 2016 – Boston, MA, June 14, 2016.

“Increased Frequency of Post-Recovery Liver Reallocation: The Law of Unintended Consequences?” JP Orlowski, CC Muse, JF Whaley, and RA Squires. Abstract – Poster Presentation, American Transplant Congress 2016 – Boston, MA, June 12, 2016.

ABSTRACTS. continued

“Achieving 50 percent growth in organ donors over historical average: one organ procurement organization’s strategy for saving more lives.” JP Orlowski, JF Whaley, J Foutch, CC Muse, and RA Squires. Abstract – Oral Presentation, International Society of Organ Donation and Procurement 2015 – Seoul, South Korea, October 19, 2015.

“Broader liver allocation: one organ procurement organization’s experience in the share 35 era.” JP Orlowski, CC Muse, JF Whaley, and RA Squires. Abstract – Oral Presentation, International Society of Organ Donation and Procurement 2015 – Seoul, South Korea, October 19, 2015.

“What Will It Take? Kidney Programs Prove Resistant to Modifying Donor Acceptance Criteria In UNET.” D Stewart, K Taylor, JP Orlowski, P Camp, M Angelis, and R Metzger. Abstract – Poster Presentation, American Transplant Congress 2012 – Boston, MA, June 5, 2012.

“A Prospective Observational Study of Patients Referred for Organ Donation Treated with Therapeutic Hypothermia.” CE Wright, NA Neidlinger, JP Stinebring, CA Jones, JP Orlowski, LA Dills, VG Glinski and PL Carroll. Abstract – Poster Presentation, American Transplant Congress 2012 – Boston, MA, June 3, 2012.

“Successful Procurement of Lungs from Donors Over 70 Years of Age: One U.S. OPO’s Experience.” JP Orlowski, CA Jones, B York, W McTague, and L Quinn. Abstract – Oral Presentation (by Quinn), International Society of Organ Donation and Procurement 2011 – Buenos Aires, Argentina, November 29, 2011.

“The Impact of CBIGS on Achievement of Donor Management Goals at a Level I Trauma Center.” L Quinn, JP Orlowski, W McTague, and CA Jones. Abstract – Oral Presentation (by Quinn), International Society of Organ Donation and Procurement 2011 – Buenos Aires, Argentina, November 28, 2011.

“Marketing a Donor Registry Through Social Media.” L Quinn, JP Orlowski, L Ziskie, and S Carter. Abstract – Poster Presentation, International Society of Organ Donation and Procurement 2011 – Buenos Aires, Argentina, November 27-30, 2011.

“The Impact of a Part-Time Coordinator on Donor Activity at a Level II Trauma Center.” L Quinn, JP Orlowski, W McTague, and CA Jones. Abstract – Poster Presentation, International Society of Organ Donation and Procurement 2011 – Buenos Aires, Argentina, November 27-30, 2011.

“Mining OPTN Data for Opportunities to Place Marginal Organs More Quickly.” Abstract -- Poster Presentation, American Transplant Congress 2011 – Philadelphia, PA, April 30, 2011.

“Every Organ Every Time Attitude Teamed Up with SoftMD™ Results in Successful Lung Transplant from 72-Year-old Donor.” Abstract – Poster Presentation, 35th Annual NATCO Meeting – Hollywood, FL, August 1-4, 2010.

“Nucleic Acid Testing (NAT) For HIV, HBV, and HCV: Current Practices of 58 US Organ Procurement Organizations (OPOs).” Abstract – Oral Presentation, American Transplant Congress 09 – Boston, MA, May 31, 2009.

“Impact of Renal Machine Preservation: Cost vs. Increased Utilization.” Abstract – Poster Presentation, 24th Annual Meeting of the Association of Organ Procurement Organizations – Dallas, TX, June 5-8, 2007.

“Organ Procurement Staffing Levels and OPO Performance.” Abstract – Oral Presentation, 23rd Annual NATCO Meeting - New York, NY, August 10, 1998.

“Two Year Experience with Routine Notification.” Abstract – Oral Presentation, 23rd Annual NATCO Meeting - New York, NY, August 10, 1998.

“Increased Consent for Tissue Donation Through Decoupled Approaches by Trained Staff.” Abstract – Oral Presentation, 22nd Annual NATCO Meeting - Minneapolis, MN, July 29, 1997.

“Routine Notification Increases Donation in Small and Rural Hospitals.” Abstract – Oral Presentation, 1st International Transplant Coordinators Society Meeting - Washington, DC, July 9, 1997.

ABSTRACTS. continued

“Utilizing Routine Notification to Increase Organ and Tissue Donation: A Preliminary Report.” Abstract – Oral Presentation, 23rd Annual Scientific Meeting of the American Society of Transplant Surgeons - Chicago, IL, May 16, 1997.

“The Impact of Four Strategies for Increasing Heart-valve Donation.” Abstract – Poster, AATB 19th Annual Meeting - Atlanta, GA, September 9-13, 1995.

“Decreased Numbers of Cadaveric Donors with Traumatic Injuries Equals Increasing Donor Age: A 6 Year Analysis.” Abstract – Oral Presentation, The Society for Organ Sharing 2nd International Congress - Vancouver, British Columbia, Canada, July 6, 1993.

“Successful Organ Procurement in a Rural Setting: The Wyoming Experience.” Abstract – Poster, The Society for Organ Sharing 2nd International Congress - Vancouver, British Columbia, Canada, July 4-6, 1993.

“Successful Use of Kidneys from Diabetic Cadaver Kidney Donors: 67- and 44-Month Graft Survival.” Abstract – Poster, The Society for Organ Sharing 2nd International Congress - Vancouver, British Columbia, Canada, July 4-6, 1993.

“Successful Utilization of Pediatric Organ Donors: A 7 Year Analysis.” Abstract – Poster, The Society for Organ Sharing 2nd International Congress - Vancouver, British Columbia, Canada, July 4-6, 1993.

“Improved Cardiac Transplant Survival with Thyroxine (T-4) Treatment of Hemodynamically Unstable Donors-95.2% Graft Survival at Six and Thirty Months.” Abstract – Oral Presentation, 14th Congress of the Transplantation Society - Paris, France, August 19, 1992.

“Improved Resuscitation of Cadaver Kidney Transplant Donors Using Thyroxine T-4 Protocol.” Abstract – Poster, 1992 Annual Meeting of the American Urological Association - Washington, DC, May 10-14, 1992.

“Graft Survival of Livers Procured from Donors Managed with Levothyroxine (T-4).” Abstract – Oral Presentation, NATCO 16th Annual Conference - Halifax, Nova Scotia, Canada, August 14, 1991.

“The Successful Use of Marginal Cadaver Donor Kidneys.” Abstract – Poster, 4th Congress of the European Society for Organ Transplantation - Barcelona, Spain, November 1-4, 1989.

“Efficacy of Simultaneous Cadaveric Pancreas and Liver Recovery.” Abstract – Poster, 2nd International Congress on Pancreatic and Islet Cell Transplantation - Minneapolis, MN, September 21-22, 1989.

“Successful Use of Polycystic Cadaver Donor Kidneys.” Abstract – Poster, 4th International Symposium on Organ Procurement and Preservation - Minneapolis, MN, September 18-20, 1989.

“Successful Utilization of Cadaver Kidneys from Diabetic Donors for Transplantation.” Abstract – Poster, 4th International Symposium on Organ Procurement and Preservation - Minneapolis, MN, September 18-20, 1989.

“Are Pediatric Organ Donors Well Utilized?” Abstract – Oral Presentation, 4th International Symposium on Organ Procurement and Preservation - Minneapolis, MN, September 18, 1989.

“The Need for and Effects of a High-Risk Donor Policy with Regard to HIV and Hepatitis B.” Abstract – Oral Presentation, NATCO 13th Annual Conference – Orlando, FL, July 1988.

INVITED LECTURES

“LifeShare Network – Innovating for the Future.” Plenary Presentation – AOPO Directors’ Forum – Atlanta, GA - November 15, 2023.

“Health Equity in Organ Donation: A Single OPO Review.” Oral Abstract Presentation – ISODP Scientific Congress – Las Vegas, NV – October 21, 2023.

“A Deep Look Into the USA OPO and Donation System –Perspectives from Oklahoma.” Plenary Panel – ISODP Scientific Congress – Las Vegas, NV – October 19, 2023.

INVITED LECTURES, continued

“High Performing Systems in Deceased Donation: The Role of Donation Focused ICU Physicians.” – Plenary Panel - ISODP Scientific Congress – Las Vegas, NV – October 18, 2023.

“What’s Keeping OPO CEOs Up at Night?” Plenary Presentation and Panel – Texas Transplant Society 2023 Annual Scientific Meeting – Georgetown, TX – August 12, 2023.

“The Future of Organ Transportation: Launching the Matador Uncrewed Aerial System (UAS) Consortium.” Virtual Panel Presentation – Organ Donation and Transplantation Alliance – July 11, 2023.

“Raising the Bar: Strategies to Drive OPO Improvement.” Grand Rounds – University of Wisconsin Transplant – Madison, WI, March 6, 2023.

“Alliance Conversation Series: Perfusion Devices.” Virtual Plenary Presentation and Panel – Organ Donation and Transplantation Alliance – June 28, 2022.

“Liver Machine Perfusion – What will this do for the OPO?” Plenary Presentation and Panel – OrganOx Symposium – Phoenix, AZ June 14, 2022.

“New Day, New Way.” Plenary Presentation and Panel – MTF Leadership Forum – Nashville, TN May 10, 2022.

“Bringing Innovation to an OPO.” Plenary Presentation – Baylor-Scott & White Innovation Conference – Dallas, TX, April 22, 2022.

“Metrics in Transplantation: Envisioning the Ideal.” Virtual Plenary Presentation and Panel – AST Cutting Edge of Transplant – April 8, 2022.

“Building Bridges with Legislators.” Plenary Presentation and Panel – AOPO Directors Workshop –Washington, DC November 16, 2021.

“OPOs Raising the Bar: Identifying and Developing New Strategies Driving Improvement.” Plenary Presentation and Panel – AOPO Directors Workshop – Washington, DC, November 15, 2021.

“DCD: An OPO Perspective.” Presentation – ASTS Donation After Circulatory Death (DCD) Webinar – October 19, 2021.

“Board Engagement.” Breakout Presentation and Panel – AOPO Virtual Annual Meeting – July 1, 2021.

“Returning Operations to Normal.” Virtual Town Hall Presentation and Panel – UNOS COVID Collaborative – June 11, 2020.

“Returning Operation to Normal & Future Impact of COVID-19: LifeShare of Oklahoma.” Presentation -- AOPO COVID-19 Virtual Town Hall – April 30, 2020.

“Brain Death: A Mimic of Sepsis.” Plenary Presentation, 12th International Transplant Infectious Disease Conference – Dubai, UAE, November 13, 2019.

“LifeShare Foundation: Lessons Learned.” Presentation, Donor Network West Board Retreat – Berkeley, CA, October 26, 2019.

“Lessons from UNOS/OPTN.” Plenary Presentation, 14th Congress of the International Society of Vascularized Composite Allotransplantation – New Delhi, India, September 30, 2019.

“Organ Allocation: It’s Not Just Logistics.” Plenary Presentation, 2019 Texas Transplantation Society Annual Scientific Meeting – Austin, Texas, July 21, 2019.

“Enhanced Performance Monitoring: A Better Look Inside and Out.” Panel Presentation, American Transplant Congress 2019 – Boston, MA, June 4, 2019.

INVITED LECTURES, continued

“Supply, Demand, and Logistics: Organ Allocation History and Future Directions.” Cigna Lifesource Transplant Symposium – Pittsburgh, PA, March 23, 2019.

“Organ Procurement Agencies: Financial and Organizational Structure for Durable Success.” Breakout Presentation, The Society of Thoracic Surgeons 55th Annual Meeting – San Diego, CA, January 29, 2019.

“The Ecosystem of Transplantation: OPO Perspective.” Plenary Presentation, American Society of Transplant Surgeons Leadership Development Program – Evanston, IL, September 23, 2018.

“There’s No Such Thing As A Free Lunch: The Impact of Broader Sharing On OPO’s...and You!!” Plenary Presentation, Texas Transplant Society 31st Annual Scientific Meeting – San Antonio, TX, June 28, 2018.

“MPSC Grand Rounds or...’Stuff Happens!’” Grand Rounds Presentation, United Network for Organ Sharing – Richmond, VA, June 13, 2018.

“Social Media: Uses Today, Digital Voice & Collaboration.” Panel Presentation, American Transplant Congress 2018 – Seattle, WA, June 3, 2018.

“A CEO’s Perspective on Enterprise Risk Management as a Key Component of Strategic Planning.” Keynote Presentation, ECL2 User’s Conference 2018 – Santa Fe, NM, April 11, 2018.

“Standardizing Work: Lessons Learned on Our Lean Journey.” Breakout Presentation, AOPO Directors Forum 2018 – Santa Fe, NM, January 24, 2018.

“LifeShare Survey: Lessons Learned.” Plenary Presentation, Research and Planning Group Leadership Summit – Saint Louis, MO, November 15, 2017.

“Promoting Employee Engagement.” Panel Presentation, AATB 41st Annual Meeting – Orlando, FL, October 5, 2017.

“Organ Donation Best Practices: Oklahoma and the United States.” Invited Presentation, 2017 Chinese Transplant Congress & 4th Chinese Transplant Doctor’s Conference – Kunming, China, August 4, 2017.

“MPSC and Standards & Accreditation Updates: Everything You Wanted to Know and More!” Breakout Presentation, AOPO Annual Meeting 2017 – Orlando, FL, June 21, 2017.

“OPO Donor Data Integrity and the Impact on Center Outcomes.” Breakout Panel Presentation, Transplant Management Forum 2017 – Orlando, FL, April 25, 2017.

“Playing by the Rules: Who Decides Flagging Criteria for Outcomes and Why?” Plenary Presentation – Transplant Quality Institute 2016 – Denver, CO, October 12, 2016.

“Donor Registries: Where is the Evidence or Do We Suspend Disbelief?” Plenary Presentation – Ethics Luncheon, Texas Transplantation Society 29th Annual Scientific Meeting – Fort Worth, TX, July 29, 2016.

“Performance Anxiety: When Less Focus on (Traditional) Metrics Leads to More Transplants.” Concurrent Presentation, American Transplant Congress 2016 – Boston, MA, June 13, 2016.

“Region 4 Successful Practices for Increasing Donation: Potential and the Oklahoma Experience.” Breakout Presentation, UNOS Transplant Management Forum 2016 – Indianapolis, IN, April 4, 2016.

“LifeShare and ECL2 – Meeting the Challenges of Growth from a Quality Perspective.” Plenary Presentation, ECL2 User Group Conference 2016 – Santa Fe, NM, March 31, 2016.

“LifeShare 2015: Continued Growth, Continuing to Set Records.” Plenary Presentation, LifeShare Executive Leadership Summit – Oklahoma City, OK, March 23, 2016.

“MPSC: What You Need to Know, What You Should Expect.” Plenary Presentation, AOPO Procurement Council Meeting 2016 – Houston, TX, February 3, 2016.

INVITED LECTURES, continued

“MPSC: How to Win Friends and Influence People?” Plenary Presentation, AOPO Director’s Workshop –Atlanta, GA, January 19, 2015.

“MPSC Ad-Hoc Workgroup to Increase Organ Utilization: Pulling Out the Stops.” Concurrent Presentation, AOPO Director’s Workshop – Atlanta, GA, January 19, 2015.

“MPSC Process: Choose Your Own Review.” Concurrent Presentation (twice), UNOS Primer – Richmond, VA, November 10, 2015.

“Building a Culture of Success: We Will NEVER Be There.” Plenary Presentation, Texas Transplantation Society 2015 – Austin, TX, July 24, 2015.

“Region 4 Organ Utilization Statistics: How Do We Stack Up?” Plenary Panel Moderator, Texas Transplantation Society 2015 – Austin, TX, July 24, 2015.

“LifeShare Overview.” Plenary Presentation, LifeShare CEO Leadership Summit – Oklahoma City, OK, April 1, 2015.

“Financial Considerations: OPO Perspective.” Plenary Presentation and Panel, UNOS Liver Forum – Chicago, IL, September 16, 2014.

“Tissue Program Analysis.” Plenary Panel, MTF Leadership Forum – New Orleans, LA, August 5, 2014.

“Rebuilding an OPO: The Oklahoma Experience (To-date!).” Plenary Presentation, Texas Transplantation Society 27th Anniversary Meeting – San Antonio, TX, July 12, 2014.

“Donor Potential vs. Donor Eligibility.” Plenary Presentation, Texas Transplantation Society 27th Anniversary Meeting – San Antonio, TX, July 11, 2014.

“Tissue Program Analysis.” Concurrent Presentation, AOPO Tissue Council, AOPO Annual Meeting – Baltimore, MD, June 17, 2014.

“Organ Turndown Analysis: Communication, Leadership, and Improvement.” Webinar Presentation, Organ Donation & Transplantation Alliance “Get Connected” Webinar – August 27, 2013.

“Organ Acceptance Criteria.” Webinar Presentation, HRSA Transplant Center Task Force “Waitlist Management” Webinar – May 28, 2013.

“Organ Acceptance Criteria.” Plenary Presentation, HRSA Transplant Center Task Force – Washington, DC, February 6, 2013.

“The New & Improved Imminent Neurological and Eligible Death Definitions.” Plenary Panel, AOPO Director’s Forum – Napa, CA, January 16, 2013.

“Reading Between the Lines: Finding Hidden Opportunities for Growth in Your DSA’s Data.” Breakout Presentation, 7th National Learning Congress – Grapevine, TX, October 5, 2012.

“We Are the World: National & International Perspectives on Donation & Transplantation.” Plenary Panel, NATCO 36th Annual Meeting – San Francisco, CA, August 16, 2011.

“The Ever-Changing World of Regulations.” Concurrent Presentation, NATCO 36th Annual Meeting – San Francisco, CA, August 15, 2011.

“DonorNetiquette: Effectively Using DonorNet to Enhance Communication for Placement.” Panel Presentation, NATCO 36th Annual Meeting – San Francisco, CA, August 14, 2011.

“Vascularized Composite Allograft Transplantation: Development of Donation Best Practices and Establishment of a VCA Program.” Early Morning Workshop, American Transplant Congress 2011 – Philadelphia, PA, May 4, 2011.

INVITED LECTURES, continued

“Presidential Address.” AOPO 28th Annual Meeting – Denver, CO, June 15, 2011.

“Vascularized Composite Allotransplantation: Development of Donation Best Practices and Establishment of a VCA Program.” 10th Meeting of the International Hand and Composite Tissue Allotransplantation Society – Atlanta, GA, April 8, 2011.

“Times Square: Expanding the Donor Pool – My Soap Box.” Plenary Presentation, ASTS 11th Annual State of the Art Winter Symposium – Hollywood, FL, January 16, 2011.

“Regional Commitment Panel.” Plenary Panel, 6th National Learning Congress – Grapevine, TX, November 4, 2010.

“A Few Words from the President.” AOPO January Director’s Forum – St. Petersburg, FL, January 14, 2011.

“Incoming Presidential Address.” AOPO 27th Annual Meeting – Baltimore, MD, June 17, 2010.

“A Look to the Future: Donor Designation and AOPO.” Donate Life America Annual Meeting – Baltimore, MD, June 14, 2010.

“Organ Donation – Current Realities and Future Challenges.” Medicine/Neurology Grand Rounds, Ellis Hospital – Schenectady, NY, February 1, 2010.

“Organ Donation – Current Realities and Future Challenges.” Surgical Grand Rounds, Albany Medical Center Department of Surgery – Albany, NY, March 12, 2009.

“OPTN OPO Committee Update.” Plenary Presentation, Association of Organ Procurement Organizations 2009 January Director’s Workshop – San Juan, PR, January 16, 2009.

“Organ Donation – Current Realities and Future Challenges.” Grand Rounds, St. Elizabeth Medical Center Medical Staff – Utica, NY, November 25, 2008.

“Machine Preservation: One OPO’s Experience.” Panel Presentation, 4th National Learning Congress -Nashville, TN, October 23, 2008.

“The Glass Half Full – AOPO Governance Changes.” Plenary Presentation, Association of Organ Procurement Organizations 2007 January Directors’ Workshop – Coconut Grove, FL, January 11, 2007.

“Compensation and the Consulting Physician.” Break-out Panel Presentation (x 2), 2nd National Learning Congress - New Orleans, LA, October 18 and 19, 2006.

“Year One of Kidney Perfusion: The Dollars and Sense (and Results).” Break-out Panel Presentation, Learning Session 3, Organ Transplantation Breakthrough Collaborative – Washington, DC, May 31, 2006.

“Color by Numbers – Using Data to Paint Our OPO’s Future.” Break-out Panel Presentation, Learning Session 2, Organ Transplantation Breakthrough Collaborative – Los Angeles, CA, February 23, 2006.

“Playing the Numbers: Becoming a Data-driven Organization.” Plenary Presentation, OPO Redesign Meeting – Chicago, IL, January 30, 2006.

“Starting a Kidney Perfusion Program: One (Small) OPO’s Preliminary Experience.” Plenary Presentation, Association of Organ Procurement Organizations 2005 January Director’s Workshop – Las Vegas, NV, January 12, 2006.

“Variables Important to the Consent Process: Analysis of Donor and Non-Donor Families’ Experiences.” Plenary Presentation, 24th Annual NATCO Meeting - Albuquerque, NM, July 26, 1999.

“Negotiating the Maze Without Getting Into a Corner.” Plenary Presentation, 14th Annual Meeting of the Association of Organ Procurement Organizations - Chicago, IL, June 19, 1997.

INVITED LECTURES. continued

“Interagency Relationships.” Plenary Presentation, AATB 20th Annual Meeting - Washington, DC, September 9, 1996.

“Rough Waters or Smooth Sailing?: Interagency Relationships.” Plenary Presentation, NATCO 21st Annual Meeting & Exposition - San Diego, CA, August 5, 1996.

“Optional Writing Workshop: Research.” Plenary Presentation, NATCO 18th Annual Conference - Seattle, WA, August 15, 1993.

“Fluid Resuscitation of the Head Injured Patient in the Intensive Care Unit.” Plenary Presentation, 4th Annual Nurse Coordinator Workshop of Southwest Organ Bank - Dallas, TX, December 3, 1992.

“The Listing Process.” Plenary Presentation, Liver Transplantation in the 90’s Conference at Presbyterian/St. Luke’s Medical Center - Denver, CO, December 2, 1992.

“Donor Case Presentation: The Insulin Dependent Donor/The Hypertensive Donor.” Plenary Presentation, Translife OPO’s Exploring the Outer Parameters Marginal Donor Conference - Orlando, FL, June 29, 1992.

“Ethics in Emergency Care.” Panel Presentation, Memorial Hospital National Emergency Medical Systems Conference - Colorado Springs, CO, September 27, 1990.

“Organ Donation Overview.” Nursing Grand Rounds, University of Colorado Health Sciences Center - Denver, CO, June 20, 1991.

“Pediatric Organ Procurement.” Plenary Presentation, St. Joseph’s Hospital Department of Neonatology Program on Infant Cardiac Transplantation - Englewood, CO, March 16, 1990.

“Use of T-4 to Promote Hemodynamic Stability in the Vascular Organ Donor.” Plenary Presentation, NATCO 15th Annual Conference - San Francisco, CA, August 17, 1990.

“Organ Donation and Transplantation Overview.” Grand Rounds, United States Air Force Academy Hospital Continuing Medical Education Program - Colorado Springs, CO, October 4, 1989.
