### Confirmation of trainee status

To whom it may concern

I hereby confirm that Dr. Romy Steiner is a trainee in my research lab. She is conducting her postdoctoral training in immunology in my lab at the Medical University of Vienna, Institute for Biomedical Research and Translational Surgery. (<https://biomed-forschung.meduniwien.ac.at/en/unsere-abteilungen/kardiovaskulaeres-institut/research-groups/research-group-pilat/>)

At the moment she is completing an educational fellowship in microsurgery (travel grant awarded by the Austrian Society of Transplantation) in the in the Lab of Dr. Leonardo Riella (Harvard Medical school).

Sincerely,

Nina Pilat

*Head of HTX research lab*

Univ. Prof. Dr. Bruno Podesser

*Head of Center for Biomedical Research and Translational Surgery*
