

Department of Plastic and Reconstructive Surgery
Johns Hopkins University, School of Medicine
720 Rutland Ave., Room 749
Baltimore, MD 21205

May 29, 2024

To Whom It May Concern:

Dr. Amanda Loftin is a full time Ph.D. candidate in my research laboratory in the Department of Plastic and Reconstructive Surgery, Johns Hopkins School of Medicine. She has a DVM degree, and has been with me in the lab for more 3 years now. I kindly permit her to register for the TTS 2024 as a student trainee.

Sincerely,

A handwritten signature in cursive script that reads "Byoung Chol Oh".

Byoung Chol Oh, D.V.M. Ph.D.

Assistant Professor, Associate Scientific Director, VCA program
