Dear Dr Ramaswami

This is to confirm that you have completed three years of Basic Physician Training in Adult Internal Medicine and passed the Written (passed 2 March 2018) and Clinical (passed 28 July 2018) Examinations in Adult Internal Medicine.

Furthermore, you are currently undertaking the third of the three years of Advanced Physician Training under the supervision of the Advanced Training Committee in Nephrology.

Fellowship of the College will be awarded upon the satisfactory completion of all the requirements of Advanced Training.

Yours sincerely

Ashley Nobrega
