This is to certify that the student named above is registered for the academic year 2022/2023 as a full-time student undertaking advanced study and research for the degree programme stated.

All full-time students are expected to engage in programme or private study for at least 40 daytime hours per week.

** It should be noted that several months may elapse between the submission of a student's thesis and the completion of examination. Since students are required to take an oral examination, it is necessary for many students to remain at the University several months beyond the normal period of registration.*
