25 April 2024

Dear TTS Organizing Committee,

I write in support of Amy Cross's applications for Mentor-Mentee and Young Investigator Awards. I can confirm that she is a trainee in our research group.

I am confident that Amy will benefit greatly from attending TTS2024 Istanbul and from the valuable opportunity to present her research and interact with the international scientific community. Many thanks for considering her application.

Yours sincerely,

A handwritten signature in black ink, appearing to be "F. Issa", enclosed within a circular scribble.
