

To whom it may concern,

On behalf of the Iranian Society of Organ Donation (ISOD), **Mr. Ehsan Radi** is introduced as a researcher of this NGO and the secretary of the Iranian Research Center of Organ Donation (IRCOD) to benefit from the TTS Scientific Congress Awards.

Kindly nominate him as one of the eligible people to receive grant to attend the TTS 2024 Congress and present an abstract, considering his admirable and valuable research aimed at improving the organ donation process in recent years.

Best Regards

Dr. Katayoun Najafizadeh

CEO of Iranian Society of Organ Donation
