

Fadi Issa DPhil FRCS(Plast)
Associate Professor
Transplantation Research Immunology Group
Nuffield Department of Surgical Sciences
University of Oxford
Level 6, John Radcliffe Hospital
Oxford OX3 9DU

14 March 2024

To Whom It May Concern:

I am writing to confirm that Dr. Helen Stark is presently an Academic Clinical Lecturer within our department at the University of Oxford, under my direct supervision. This position is designated for clinical trainees who, alongside their training in plastic surgery, are concurrently engaged in rigorous post-doctoral research.

Dr. Stark has consistently demonstrated exceptional dedication to both her clinical responsibilities and academic research pursuits. It is within this context that I support her application for a TTS Scientific Congress Award.

Should you require any further information or clarification regarding Dr. Stark's application, please do not hesitate to contact me.

Yours faithfully,

Fadi Issa
