Concerning: Letter of invitation for Yitian Fang

Dear Sir/Madam,

This letter of invitation is to confirm that Yitian Fang born 24th of August 1995, is welcome at Erasmus MC, University Medical Centre, Rotterdam, The Netherlands.

On behalf of the department of HPB and Transplant Surgery, we want to give Yitian the opportunity to do research in the Laboratory for Experimental Transplant and Intestinal Surgery (LETIS) under supervision of Dr. R.C. Minnee. At our department he will perform research on normothermic machine perfusion of donor kidneys, trying to optimize marginal donor kidneys, with the plan to obtain his doctoral degree. He will interact with our research group and join the regular research meetings. With his IELTS score of 7.5 English communication will be easy and no tuition fees are required to work at Erasmus Medical center.

The plan is for Yitian to start on the 1st of November 2021 until the 31th of October 2024.

Altogether, I would gladly invite Yitian Fang for a doctoral degree in our department.

Sincerely,

R.C. Minnee, MD, PhD
Transplant surgeon
